Dated : 10. 04.2018

To

All Chief Conservators of Forests  
All Conservators of Forests  
All DFOs / Wildlife Wardens / ACFs (SF)

Sir,

Sub: Implementation of contract system - alternatives for contract system for planting works - instructions issued.

Ref: Minutes of the CCFs' Council Meeting held on 04-04-2018

The CCFs' Councils held on 04-04-2018 had discussed the issue of alternatives for contract system for planting works, in the background of the reports that the number of contractors registered for Silvicultural works is very few in some Circles.

In this connection, Divisional Forest Officers and Circle Officers are directed to do a thorough review of the reasons for such poor response and propose remedies so as to get more response.

The following instructions are also issued.

1. To carry out the works through the Contractor system, the works are to be tendered in early April itself with alternate dates for re-tender.
2. Circle officers and DFOs are advised to get the planting work done through NMR, if no bids are received even after 2 tenders. In that case, the payment conditions specified in the Contract system G.O. cannot be insisted and contractor's profit in the estimate will not be allowed.

3. In respect of NAP/GIM works being carried out through VSS/EDC (in accordance with the model prescribed by Government of India), the same mechanism may continue.

It is instructed to follow the above directions forthwith.

Yours faithfully,

  
Addl. Principal Chief Conservator of Forests  
(Finance, Budget & Audit)
