Agasthyavanam Biological Park.
All Divisional Forest Officers.
All Wildlife Wardens.
All Working Plan Officers.
All Assistant Conservators of Forests (Social Forestry).
Principal, Kerala Forest School, Walayar/ Arippe.
Deputy Conservator of Forests, (Research North & South).

Sir,

Sub : *Launch of tree planting activities under Haritha Keralam Phase – XII
- on World Environment Day & Vana Maholsavam – requirement of
additional staff & vehicles to the Social Forestry wing – reg.*

Ref :

Every year we observe World Environment Day on June 5th with the launch of the tree planting programme. From this year onwards we will be observing Vana Maholsavam with the same fervour and planting of saplings will commence on June 1st 2020 and continue throughout the planting season till July 7th, which marks the end of the Vana Maholsavam. The objective of the programme is to promote planting and nurturing of more saplings. For this purpose, seedlings have been produced in various Social Forestry nurseries spread over 14 districts in the State.

The staff and vehicles in the SF wing are limited to accomplish all the works during this short period. To accomplish the task, full support of all other wings in the department will be required with provision of man power and transport. The additional requirement of staff and vehicles during the period, as ascertained from the ACFs of the concerned SF divisions, are given in the **annexure I**. The additional staff are required for the period from 1st June 2020 to 7th July 2020 or until the completion of planting as part of Vana Maholsavam, whichever is earlier. Any staff who are under orders of transfer from the Social Forestry divisions have to be retained in Social Forestry until the completion of the work. Those staff already transferred from Social Forestry and working in other wings should be deputed to the respective Social Forestry division for undertaking the mission effectively as they are already familiar with the work. **The respective Conservators of Forests (SF) in charge of the Regions are requested to ensure availability of additional staff and vehicles to the Assistant Conservator of Forests (SF) during the period indicated therein.**

APCCFs/CCFs/CFs working in Territorial, Wildlife/Working Plan/Vigilance wings shall ensure that the field staff and vehicles as listed in annexure- I are made available to the concerned Assistant Conservators of Forests (SF) by **10.00 AM on 01.06.2020**. The vehicles shall not be left with the Social Forestry wing without any driver engaged by the concerned custodian of the vehicle and the custodian shall see that enough money towards fuel and maintenance charges of the vehicles is available with the driver.

It is also requested that all Additional Principal Chief Conservator of Forests, Chief Conservators of Forests, Conservator of Forests, Divisional Forest Officers, Wildlife Wardens and all other officers of Territorial/Wildlife/Working plan/Vigilance should ensure their participation along with field staff during the period in organizing various functions and making the Environment Day and Vana Maholsavam a great success.

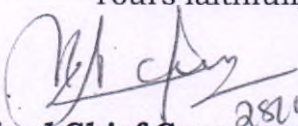

It is further directed that all the territorial DFOs & Wildlife Wardens along with field staff should take part in the above programme by carrying out planting activity through the VSSs/EDCs either in the lands owned by the members of VSS/EDC or in degraded areas as part of eco restoration. Similarly, the Directors of State Forest Training Institutes are also requested to participate in the above programme by carrying out planting activity in their campus or in other public lands. All the heads of offices also are requested to participate in the planting programmes either in their office compound or public lands. The seedlings required for the above planting shall be supplied and transported to the respective sites by the Social Forestry wing of the

district. The officers concerned shall ensure that the planting is done either on 5th of June or subsequent days before 7th July after ensuring that the pits are made properly and sufficient moisture required for establishment of saplings exists.

The Assistant Conservator of Forests concerned shall keep APCCF(SF) informed about the day to day progress in the matter. CF/ACF Social Forestry shall co-ordinate with their counterparts in Territorial/Wildlife and monitor the planting programme and submit a daily report from 1st June to 7th July 2020.

In backdrop of Covid - 19 pandemic, massive programmes with heavy participation is a remote possibility. The various programmes can be conducted, adhering to the Covid - 19 regulations of the government.

Yours faithfully,

Principal Chief Conservator of Forests &
Head of Forest Force

Encl : Annexure I - List of vehicle and staff requested by APCCF (SF)

Annexure No. I
