PART-1

EXPRESSION OF INTEREST (EoI) FOR REGISTERING AS PLANT NURSERY CONTRACTOR FOR THRISSUR ZOOLOGICAL PARK, PUTHUR

1. INTRODUCTION

1.1. Proposals are invited from qualified and experienced Persons/Firms/Societies/Institutions for registering as contractors for raising nurseries of shrubs, herbs, climbers etc of different species in the list in Part II for planting as part of landscaping in Puthur Zoological Park. Applications are to be submitted in the format in Part III attached to this document.

1.2. A brief description of the job of the Contractor is given under item 4 below.

1.3. This EoI is neither an agreement nor an offer of work to the prospective contractors. The purpose of this EoI is to provide interested persons with an opportunity to register based on experience and financial capability as contractor for nursery work with the Special Purpose Vehicle for Puthur Zoological Park. Only the contractors registered based on this selection process will be qualified to participate in the subsequent tender process to select the contractor to execute different works connected with raising of plants in the nursery in the designated nursery site of Puthur Zoological Park.

1.4 Please note that the cost of preparing the proposal including visit to the site, are not reimbursable.

1.5 We wish to remind every prospective contractor that in order to avoid conflict of interest situations, any Persons/Firms associated with any of the Consultants of the Project is not eligible to participate in the registration process.

1.6 Applicants have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their Client, or that may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the Applicant for registration or the termination of the registration/or any other action as deemed fit by the Client at any stage.

1.7 It is the Client's policy that,

(a) the contractor observes the highest standard of ethics during the registration process. In pursuance of this policy, the Client defines, for the purpose of this paragraph, the terms set forth below as follows:

(i) "corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the registration process.

(ii) "fraudulent practice" means a misrepresentation or omission of facts in order to influence a selection process;

(b) If it is found that the Applicant recommended for registration has, directly or through an agent, engaged in corrupt or fraudulent practices in getting registered, the registration will be cancelled.

2. CLARIFICATIONS AND AMENDMENT OF EoI DOCUMENTS

At any time before the submission of applications, the Client may for any reason, whether at its own initiative or in response to a clarification requested by an Applicant, modify the EoI documents by amendment. Any amendment shall be issued in writing through addenda. Addenda will be uploaded on

Kerala Forest Department website which will be binding on the applicants. The Client may at its discretion extend the deadline for the submission of application.

3. PROJECT BACKGROUND

Kerala Forest Department proposes to establish a modern Zoological Park of international standards in 136 ha of forest land at Puthur, 12 kilometers away from Thrissur. In the First Phase of the project, the captive animals presently kept at Thrissur Zoo, Chembukavu will be shifted to the new Zoological Park. Facilities for exhibiting collected animals will be developed in the Second Phase. The project involves development of facilities for Zoo animals and Zoo visitors over an extent of about 36 ha of reserved forest in Puthur and Kainur villages in Thrissur District. As part of visitor facilities, 4.6 kilometers of visitor's path, 2.4 kilometers of tram road and 1.1 kilometer of service road will be developed. Landscaping and horticulture is an important component of the Park development which includes planting in the visitor areas, within animal enclosures and in the general management area. CPWD has been engaged as Executing Agency of the Project. Kerala Police Housing Construction Corporation and Kerala water Authority are other Executing Agencies in connection with construction of Administrative Block, Zoo Services facility and water supply arrangements. The project is funded by Kerala Infrastructure Investment Fund Board (KIIFB)
