Sub. : Forester's Memorial at FRI, Dehradun-request for contributions-reg.

Sir,

A Forester Memorial is being raised in the FRI campus, Dehradun to commemorate the sacrifices made by all those foresters who have laid down their lives in protecting the Forests and Biodiversity of our country. The monument was envisaged to inspire the entire forest fraternity.

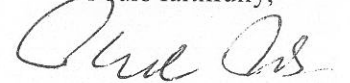

The memorial was planned to be constructed through voluntary contributions. Over the last many years, such contributions have been received from various Forest Departments, IFS Associations, Gazetted and Non-Gazetted Employees Associations and Individuals. With these contributions the basic structure of the Memorial has been raised. One of the important features of the memorial is a commemorative wall, where the names of the martyrs will be engraved. Over the last two years all the State Forest departments have been requested to send the names for Martyrs, who have laid down their lives along with their rank, year of demise, photograph and short description of the incident, so that we can maintain a database in a national level and also mention their names in commemorative wall. So far very few states have responded and the names available with us are given in the list attached. Kindly update and vet the list and send the related details also.

Further, as already stated the Memorial is being raised and maintained through voluntary contributions only. Although the basic structure has been raised, we require a corpus fund to complete and maintain the memorial. I would, therefore, request you for your valued support for raising contributions for this noble cause. Suitable contributions from all rank of Forest Officers, SFS Officers and other Gazetted/Non-Gazetted Officials may be collected and sent through Cheque/Bank Draft to "Treasurer, Forest Memorial", payable at Dehradun. Alternately, the amount can also be transferred to the Treasurer, Forest Memorial Account no.-1788222077, Central Bank of India, FRI Branch, Dehradun (IFSC code-CBIN0280286). I request the entire forest fraternity to donate/contribute generously for this noble venture.

Thanking you.

Encl.: As above.

Yours faithfully,

(Dr. P.P. Bhojvaid)
