O R D E R

According to G.O. read above officers deputed for treasury training are not treated as transferred from one post to another and they are not entitled to any joining time as allowed to officers on transfer.

A question has been raised as to whether an officer, is entitled to the joining time as on transfer if on the termination of the training he is posted to a station other than the one from which he proceeded for training.

Government are pleased to order that if the deputation for training involves a change of station and if at the end of training. Without allowing him to rejoin the post from which he is deputed he is given a regular posting at a different station he may be allowed actual journey time for his journey back to the station from which he was sent on training and regular joining time admissible under the rules from his old station to the new station to which he is posted.

By order of the Governor,

T.P. BALAKRISHNAN UNNI  
Assistant Secretary.
