ORDER

Rule 28(a) (ii) of Part-II Kerala State and subordinate services Rules, 1958 prescribes that where the Special Rules for a service provide for appointment by promotion to any class or category from a specified class or category of such service, no member shall be eligible for such appointment unless he is a full member or an approved probationer in the class or category so specified. Since the practice of provisional promotion has been going on for a long time, declaration of satisfactory completion of probation in successive feeder categories has been taking a long time. For the declaration of probation, details like Earned Leave taken etc. from the Accountant General and the Confidential Reports of the incumbents are necessary. Collection of these items causes delay. It is seen that the delay in declaration of satisfactory completion of probation is numbering the progress of regularization of the provisional promotions. Officers have been enjoying the benefit of provisional promotions for long years now, and government feel that if their confidential Reports in successive higher posts are good enough for their inclusion in the select list, it may not be necessary to wait for the declaration of probation in the Lower post for inclusion in the select list of the higher post provided probation has been declared in the entry post and this will go a long way in speeding up the process of regularization of the temporary promotions already made.

In the above circumstances Government in relaxation of Rule 28 (a) (ii) of Part- II of the Kerala State and Subordinate Services Rules 1958 order that the requirement of declaration of satisfactory completion of probation will be waived, except in the entry cadre of selection posts for the limited purpose of regularization of the temporary promotions made till the date of this order.

Secretary to Government.
