ORDER

As per Rule 60 C Part I KSR, teaching staff of all Educational Institutions (including Principals of Colleges) who complete the age of 55 years during the course of an academic year ends. The intension of the Government was that such continuance beyond the date of superannuation should not confer on them any benefit which is not available to any other Government servants except the salary for the extended period of service. In the G.O. read above it was ordered that the aided school teachers coming under chapter XIV B and C of Kerala Education Rules who continue in service till the last day of the month in which the academic year ends are allowed count this period for increments and pension. This was under a wring notion that as per Kerala Service Rules such extended period will count for increment and pension, but the actual position is that such teaching staff were allowed the benefit of increment during the extended period of service and that too only if the increment fall due before they attain the age of 55. By allowing the extended period for pension a portion of the Government employees will get the benefit of extension of the age of superannuation beyond 55years of age, which is not available to other Government employees. Government have no intention to confer this advantage to any category of its employees.

2 In the circumstances Government hereby order that ion the case of teaching staff of the Educational Institutions (including Principal of Colleges) who are allowed to continue beyond the age of 55 years till the end of the academic year, their extended service will not count for pension. Past cases will not be re-opened.

By order of the Governor,

JOSPHINE ANNE CLARENCE,
Additional Secretary. \
