All Range Forest Officers (Territorial & Wildlife)

Sir,

Sub: HAWK Offence Management System – User Feedback Survey –
reg.
Ref.: Letter No. SFEE 27/2025 dated 29/12/2025 from HAWK Nodal
Officer

The HAWK Offence Module System has been the official platform for offence management in the Kerala Forest Department since 2021. The system is now hosted in the State Data Centre, ensuring improved data stability, security and accessibility. Since HAWK has been in use for nearly four years, it is now appropriate to collect structured feedback from the field staff to identify strength, gaps and areas for improvement. Hence, it is proposed to conduct a survey among frontline forest staff at the Station and Range level to evaluate the system's effectiveness and user experience. The survey will be administered through the HAWK system itself, allowing staff to log in with their official credentials and complete the questionnaire online.

In the above circumstances, it is directed to inform all Station and Range Heads to strictly participate and complete the online survey through HAWK module, on or before 25/02/2026.

Yours faithfully,

**Additional Principal Chief Conservator of Forests (Administration) &
Chief Wildlife Warden**

- Copy to: 1. The Principal Chief Conservator of Forests & Head of Forest Force for kind information
2. The Chief Conservator of Forests (IT) for notifying on website.
3. Shri. Manu Sathyan, Assistant Conservator of Forests & HAWK Nodal Officer. It is directed to conduct the online survey during the prescribed time and submit the report.
