*(The list is only illustrative and not exhaustive)*

2. In view of the pandemic caused by spread of COVID-19 and unprecedented nation-wide lockdown, it may not be feasible to carry out time bound activities/events as mentioned above during the lockdown period and to adhere to the prescribed time-lines under various extant Rules, and/or the Regulations/Instructions issued under these Rules. It has accordingly been decided under the powers conferred by sub-section (1) of Section 3 of the All India Services Act 1951, that intervening period of lockdown shall be excluded while reckoning the periods towards completion of activities within the time-limits prescribed for the purpose under various All India Service/IAS/IPS/IFS Rules and/or the regulations/instructions there-under. For instance, *if the due date for completing an activity / event at the start of lockdown falls after 20 days, then the due date is proposed to be postponed by the number of lockdown days and further that the same number of 20 days be available to complete the task after the lockdown is lifted.*

3. Further, it has also been decided that after the lockdown is lifted, a minimum time of 15 days may be given for completing the activity/event, i.e., if the time left to complete any task is less than 15 days after the lockdown is lifted, then the task may be allowed to be completed within 15 days from the date that the lockdown is lifted.

4. The afore-mentioned relaxations in respect of activities / events covered under various All India Service/IAS/IPS/IFS Rules and Regulations/instructions made there-under are applicable only in such cases where there is an intervening lockdown period; and will not be applicable otherwise. Further, these relaxations shall not be applicable also in cases where, in view of the pandemic caused by spread of COVID-19, specific relaxations in timelines have separately been allowed under the relevant AIS and IAS/IPS/IFS Rules etc.

5. This issues with the approval of competent authority.
