Sub: Notification of Biological Resources Normally Traded as Commodities
issued u/s 40 of the Biological Diversity Act, 2002 reg:-

Ref: MOEFCC Notification S.O.3533 (E) dated 7th November, 2017

Sir/Madam,

As you are aware, Government of India enacted the Biological Diversity Act, 2002 (BD Act) to implement the provisions of the United Nation Convention on Biological Diversity (CBD), to which India is a Party. The National Biodiversity Authority (NBA) established under the BD Act is mandated to regulate access of biological resources (BRs) occurring in or obtained from India. BD Act *inter alia* provides that the users of BRs seek approval of NBA for obtaining BRs for research or commercial use.

2. Section 40 of the BD Act empowers the Central Government to exempt from its purview, any item including biological resources normally traded as commodities (NTACs), in consultation with NBA. Considering that a large number of BRs/species are traded as commodities across the country; and in pursuance of the said provision, the Ministry of Environment, Forest & Climate Change (MOEFCC) had issued a notification u/s 40 of the BD Act dated 7th April, 2016, a list of 385 BRs/species to be exempted from the purview of the Act, when traded as commodities. A copy of the said notification is readily available in the NBA website: http://nbaindia.org/uploaded/pdf/Notification_of_Normally_Traded_Commodities_dt_7_April_2016.pdf.

3. Notification of biological resources/species as NTACs is a dynamic process and additions/deletions to the list of NTACs are being carried out from time to time depending upon the abundance/scarcity, threat status, other factors and parameters thereof.

4. Now, the list of NTACs are further augmented by MOEFCC vide notification S.O.3533 (E) dated 7th November, 2017 to include a list of pulpwood species (copy

enclosed). It is hereby requested that the notification may widely be circulated among the field units to ensure its effective implementation.

Yours faithfully,

Encl: as above

(T. Rabikumar)
Secretary, NBA
