

KERALA FORESTS &  
WILDLIFE DEPARTMENT

**ADMINISTRATION  
REPORT 2018-19**

**GOVERNMENT OF KERALA**

# **ADMINISTRATION REPORT**

## **2018-19**

**KERALA FORESTS & WILDLIFE DEPARTMENT**

## **KERALA FOREST & WILDLIFE DEPARTMENT**

Minister : **Shri . Adv. K. Raju**

Principal Secretary : **Shri . Dr. A. Jayathilak IAS**

Principal Chief Conservator of  
Forests & Head of Forest Force : **Shri P. K. Kesavan IFS**

## CONTENTS

Chapter	Contents	Para No	Page No.
<b>CHAPTER I</b>	<b>HISTORY OF FOREST MANAGEMENT OF KERALA</b>		<b>1-23</b>
	Evolution of the Department	1.1	1
	Expansion of the Department	1.2	2
	Vision, Mission and Objectives	1.3	15
	Statutory and Non - Statutory functions	1.4	17
	Major Acts & Rules implemented by the Department	1.5	17
	Constitution of State Forests	1.6	19
	Demarcation of Forest Boundaries	1.7	22
	Improving Productivity of Plantations	1.8	23
<b>CHAPTER II</b>	<b>ORGANISATIONAL SET UP</b>		<b>31-44</b>
	Organisational Structure of the Department	2.1	31
	Forest Circles	2.2	44
<b>CHAPTER III</b>	<b>HUMAN RESOURCES</b>		<b>48-55</b>
	Staff Strength	3.1	49
	Training	3.2	54
	Awards/Rewards for Meritorious Service	3.3	55
	Disciplinary Proceedings against the Department Personnel	3.4	55
<b>CHAPTER IV</b>	<b>FUNCTIONING OF THE DEPARTMENT</b>		<b>56-107</b>
	Administration Wing	4.1	56
	Bio diversity Cell	4.2	57
	Development Wing	4.3	60
	Eco - Development & Tribal Welfare Wing	4.4	63
	Ecologically Fragile Land Wing	4.5	68
	Forestry Information Bureau (FIB)	4.6	70
	Forest, Land and Resources Wing	4.7	70
	Forest Management Information System Wing	4.8	76
	Infrastructure & Human Resource Development Wing	4.9	77
	Social Forestry Wing	4.10	82
	Special Afforestation Wing	4.11	85
	Vigilance Wing	4.12	91
	Wildlife Wing	4.13	97
	Working Plan & Research Wing	4.14	107

Chapter	Contents	Para No	Page No.
<b>CHAPTER V</b>	<b>FINANCE</b>		<b>112-123</b>
	Revenue and Expenditure	5.1	112
	Works done for other Departments / Agency	5.2	123
<b>CHAPTER VI</b>	<b>INFRASTRUCTURE</b>		<b>124-128</b>
	Roads	6.1	124
	Buildings	6.2	125
	Vehicles	6.3	125
	Arms & Ammunitions	6.4	127
<b>CHAPTER VII</b>	<b>GENERAL</b>		<b>129-144</b>
	Departmental Publications	7.1	129
	Adalats	7.2	129
	Seminars, Conferences & Workshops	7.3	129
	Fairs and Exhibitions	7.4	131
	Implementation of the Right to Information Act 2005	7.5	131
	The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006	7.6	133
	Internal Control System	7.7	136
	Grievance Redressal Cell	7.8	136
	Implementation of Official Language Act	7.9	137
	Computerisation	7.10	138
	National Forest Sports Meet 2018 - 19	7.11	138
	Achievements of the Kerala Forest Department during 2018 - 19	7.12	139
	<b>ANNEXURES</b>		<b>145-161</b>
Annexure 1(a)	Division & Range wise details of Forest Stations		145
Annexure 1(b)	Division wise no. of Range Offices & Check Posts		149
Annexure 2	e-mail addresses and phone/ fax numbers of Officers		152
Annexure 3	Name & addresses of SPIOs & Appellate Authorities under RTI Act		158
Annexure 4	Organization chart		161

## LIST OF TABLES

<i>Table 1 – National Parks and Wildlife Sanctuaries</i> .....	8
<i>Table 2 - Distribution of Forest Area and their Legal Status</i> .....	19
<i>Table 3 - Circle and Division wise Forest Area (km<sup>2</sup>)</i> .....	20

### Abbreviations

1	AA	Administrative Assistant
2	ABP	Agasthyavanam Biological Park
3	ACF	Assistant Conservator of Forests
4	AD	Assistant Director
5	Admin	Administration
6	APCCF	Additional Principal Chief Conservator of Forests
7	APO	Annual Plan of Operations
8	BDC	Bio - Diversity Cell
9	BFO	Beat Forest Officer
10	CAMPA	Compensatory Afforestation Fund Management and Planning Authority
11	CASFOS	Central Academy for State Forest Service
12	C&AG	Comptroller and Auditor General
13	CC	Central Circle
14	CCF	Chief Conservator of Forests
15	CF	Conservator of Forests
16	CFVO	Chief Forest Veterinary Officer
17	CHR	Cardamom Hill Reserve
18	CR	Critically Endangered
19	CSS	Centrally Sponsored Scheme
20	CWW	Chief Wildlife Warden
21	DBMS	Database Management System
22	DCF	Deputy Conservator of Forests
23	DD	Deputy Director
24	DFO	Divisional Forest Officer
25	DLC	District Level Committee
26	Dy RFO	Deputy Range Forest Officer
28	EAP	Externally Aided Project
29	EC	Eastern Circle
30	ED & TW	Eco - Development & Tribal Welfare
31	EDC	Eco Development Committees
32	EFL	Ecologicaly Fragile Lands
33	EMF	Eco - system Management Fund

Contd.....

34	EO	Estate Officer
35	F & WLD	Forest & Wildlife Department
36	FB & A	Finance Budget & Audit
37	FDA	Forest Development Agency
38	FD(PT)	Field Director (Project Tiger)
39	FDT	Forest Development Tax
40	FHQ	Forest Head quarters
41	FIB	Forestry Information Bureau
42	FLR	Forest, Land & Resources
43	FM	Forest Management
44	FMIS	Forest Management Information System
45	FPMS	Forest Fire Prevention & Management Scheme
46	FR	Forest Resource
47	FRSC	Forest Resource Survey Cell
48	FS	Forest Station
49	FT	Forest Tribunal
50	FTC	Fire Training Centre
51	FTI	Forest Training Institute
52	FVO	Forest Veterinary Officer
53	GHG	Green House Gases
54	GIM	Green India Mission
55	GIS	Geo-Information System
56	HoFF	Head of Forest Force
57	HRC	High Range Circle
58	IA	Internal Audit
59	ICT	Information & Communication Technology
60	I & E	Inspection & Evaluation
61	IFGTB	Institute of Forest Genetics & Tree Breeding
62	IFM	Intensification of Forest Management
63	IFS	Indian Forest Service

127	WLS	Wild Life Sanctuary
128	WLD	Wild Life Divisions
129	WLW	Wild Life Warden
130	WP &R	Working Plan and Research

## **CHAPTER 1**

### **HISTORY OF FOREST MANAGEMENT OF KERALA**

#### **1.1 EVOLUTION OF THE DEPARTMENT**

Kerala Forest Department (KFD) is one of the oldest departments of the State of Kerala. When the country attained independence from British rule in 1947, the Kerala Forest Department inherited the basic institutional framework of the colonial forest administration, with emphasis on forest protection and revenue generation and a very limited involvement of the general public. Over the last one and half century, the Kerala Forest Department has evolved in response to changing forest policies, management priorities and demands on the forests. A paradigm shift has occurred in the National Forest Policy of 1988 and the new policy aspires to conserve the forests of India and its rich bio-diversity, with the participation of the people living in and around the forests, through Participatory Forest Management (PFM) while maintaining ecological integrity.

Before independence, the forests of Kerala were governed under three different administrative regions namely, British for the Malabar area, the King of Cochin for the erstwhile Cochin State and the King of Travancore for the erstwhile Travancore State. Madras Forest Act 1882, Cochin Forest Regulation Act 1905 and Travancore Forest Act 1887 were applicable in the respective areas. During the British and the Princely State's era, the entire western coast of Kerala had a luxuriant stretch of forest vegetation. More than 90% of the geographical area along the Western Ghats, more than 75% geographical area along the mid land and more than 60% geographical area along the coastline had dense forest cover.

The people of that time had, for religious or other reasons, protected and conserved these forests in its pristine glory. Thus, till the independence of our nation in 1947 and subsequent amalgamation of the Princely States, more than 75% of the geographical area of the State of Kerala was under dense forest

cover. But, after independence, by the early 1950s, encroachments in the forest areas had begun to take place and the trend continued till the 1960s and early 1970s, reducing the extent of forests considerably.

When Travancore and Cochin States were reorganised on the 1st July 1949, the Forest Department had eight Forest Divisions, viz; Thiruvananthapuram, Kollam, Shencotta (now in Tamil Nadu), Konni, Kottayam, Malayattur, Chalakkudy and Thrissur. In 1950, these Divisions were brought under two Territorial Circles with their headquarters at Kollam and Thrissur. With the merger of the erstwhile Princely States of Travancore, Cochin and Malabar (originally a part of the Madras Presidency), in terms of the States Reorganisation Act 1956, Forest Department was also reorganised into three Territorial Circles, viz; Kollam, Chalakkudy and Kozhikode, respectively. These three circles had fourteen Forest Divisions, viz; Thiruvananthapuram, Thenmala, Punalur, Konni and Ranni under Kollam Circle, Kottayam, Malayatur, Chalakkudy and Thrissur under Chalakkudy Circle and Nenmara, Palakkad, Nilambur, Kozhikode and Wayanad under Kozhikode Circle. The forest boundaries of these Divisions and Ranges were notified vide G.O (Ms) No. 683/Agriculture-Forest-A, dated 27.06.1958.

## **1.2 EXPANSION OF THE DEPARTMENT**

In 1960, a new Development Circle with Headquarters at Thrissur was formed with five newly created Special Divisions namely, Teak Plantation Division- Parambikulam, Liaison Division - Sungam, Grassland Afforestation Division. Pamba (Peerumedu), Hydel Division -Kottayam and Tramway Division - Chalakkudy. In 1961, the Kerala Forest School (now State Forest Training Institute, SFTI) at Walayar in Palakkad district was established under the Development Circle. Again, during 1964-65, four more Special Divisions, viz; Kallar Valley Teak Plantation-(Achencoil) Division, Teak Plantation Division-Edamalayar, Packing Paper Scheme Division- Kalady and Industrial

Plantation Division - Perumbavoor were created under the Development Circle with the objective of raising large-scale economically valuable plantations of Teak and others species, after removing less valuable heterogeneous miscellaneous forest growth.

In July 1965, an Industrial Plantation Circle (IPC) with headquarters at Thrissur was formed, having five Divisions namely, Perumbavoor, Perumuzhy, Kalady, Vazhachal and Kothamangalam. Consequently, the number of Divisions under the Development Circle was reduced to seven by excluding Chalakudy- Tramway Division and including the Forest School. Subsequently, as per G.O (Ms)No.1136/68/ Agri.dated: 01.04.1968, the Development Circle was abolished and its seven Divisions were brought under the Territorial Circles.

In 1971, a Vested Forest (Special) Circle having its headquarters at Kozhikode, was established with four Special Divisions, viz; Palakkad, Nilambur, Kozhikode and Thalassery to manage the Private Forests vested in the Government under the Kerala Private Forests (Vesting and Assignment) Act, 1971. In the year 1971, a Rubber Plantation Circle based at Punalur was created for raising Rubber Plantations for providing permanent employment to the Srilankan repatriates and it was subsequently wound up during 1976, as it was converted into a limited company called Rehabilitation Plantations Ltd, Punalur.

The KFD has evolved gradually during the last fifty years, with the expansion of manpower and administrative units. Thus, in 1972, the Department had three Territorial Circles i.e., Southern, Central, and Northern and five Functional Circles, i.e. (i) Working Plan and Research (WP and R) Circle (ii) Industrial Plantations Circle (IPC) (iii) Special Circle, Kozhikode (iv) Vigilance and Evaluation Circle and (v) Rubber Plantations Circle. In those days, Department had two Chief Conservators of Forests (CCF). Apart from the above, two more posts of Conservators were created for Planning and Industries in 1972.

In order to streamline the disposal of timber through public auctions, separate Timber Sales Divisions headed by Assistant Conservator of Forests (ACF), were constituted and they started functioning with their headquarters at Thiruvananthapuram, Punalur, Perumbavoor and Kozhikode in December 1977 under the respective Territorial Circles, for marketing timber through Government Timber Depots. Pathanapuram Depot for Kollam Circle, Mudikkal Depot for Thrissur Circle and Kallai Depot for Kozhikode Circle were notified on 31.03.1973 as the Central Depots for receiving Rose wood from all over Kerala and for marketing the same. At present, there are six Timber Sales Divisions, viz; Thiruvananthapuram, Punalur, Kottayam, Perumbavoor, Palakkad and Kozhikode with 28 Timber Depots.

On 15.04.1980, Mankulam Special Division was formed for the protection of 22253 acres of land which was resumed under the Kannan Devan Hills (KDH) (Resumption of Lands) Act, and was handed over by the Revenue Department to the Forest Department. The entire land so received from the Revenue Department and managed thereafter in Mankulam Division, was notified under Section 4 of the Kerala Forest Act, 1961 as Reserved Forests, vide G.O (Rt) No. 384/2007/F and WLD, dated: 24.05.2006.

Due to the reorganisation of the Industrial Plantations Circle (IPC) and the Chalakkudy (Thrissur) Territorial Circle as per G.O (Ms)No.34/81/AD, dated 07-02-1981, a new territorial circle wing by the name of High Range Circle (HRC) was formed, with headquarters at Kottayam, while abolishing the IPC. Thus Kottayam, Kothamangalam, Munnar and Mankulam Territorial Divisions were added to the HRC while Thrissur, Chalakkudy, Vazhachal and Malayattur Territorial Divisions were retained under the Central Circle, Thrissur.

### **1.2.1 Formation of Social Forestry Wing**

The Social Forestry wing was formed during the year 1982, to implement World Bank aided Social Forestry Project. The goal of the World Bank Project

was to enhance forest cover outside the forest areas and utilizing people centric models for a wider outreach. The project components were supply of seedlings to farmers, raising plantations along roadsides, railway lines, canal banks, community lands, institutional premises, public lands etc., carrying out extension activities and imparting necessary trainings to the farmers to adopt Agro-Forestry models. A separate Social Forestry wing headed by a Chief Conservator of Forests (CCF), with 14 district level Social Forestry Divisions, each headed by an Assistant Conservator of Forest (ACF) was created for the purpose. Each Social Forestry Division had Range Offices at the Taluk level. Social Forestry Circle Offices headed by Conservators of Forests (CF), at Kollam and Kozhikode were formed during the year 1984 and the Circle Office at Ernakulam came into existence in 1994. The district level Social Forestry Divisions of Thiruvananthapuram, Kollam, Pathanamthitta, Alappuzha and Kottayam fall under the Kollam Circle. Similarly, Idukki, Ernakulam, Thrissur and Palakkad fall under the Ernakulam Circle and Malappuram, Kozhikode, Wayanad, Kannur and Kasaragod fall under the Kozhikode Social Forestry Circle.

In 1989, the Reserved Forests and Vested Forests falling in Palakkad and Nenmara Territorial Divisions and Palakkad Vested Forest Division were amalgamated and reorganised into Palakkad, Nenmara and Mannarkkad Territorial Divisions, vide G.O (Ms) No. 121/89/F and WLD, dated:26.12.1989,. This reorganization was done for better administrative convenience and forest protection by consolidating the compact areas of Divisions and Ranges as administrative units in order to bring their boundaries corresponding to the district/taluk boundaries. During the year 1990, another major organisational change took place in the Department when Nilambur (Territorial) Division and Nilambur (Special) Division were amalgamated and reconstituted, resultantly Nilambur (North) and Nilambur (South) Territorial Divisions were formed. The five Territorial Divisions were brought under the newly formed (01.04.1988) Eastern Circle with headquarters at Olavakkode (Palakkad). Similarly, in January 1990, the

vested Forests of Kozhikode and Thalassery Special Divisions and the Reserved Forests of Kozhikode and Wayanad Territorial Divisions were also amalgamated and reorganized into Kozhikode, Wayanad (North), Wayanad (South) and Kannur Divisions, all with territorial status, to have compact areas of administrative units with the ultimate objective of having the Division and Range boundaries in consonance with District and Taluk boundaries, respectively.

Consequent to the reorganization of Kasargod, Kannur, Wayanad, Kozhikode, Malappuram and Palakkad Revenue Districts in 1990, the Forest Divisions within these districts falling under the jurisdiction of the Northern Circle, Kozhikode and Vested Forests Circle, Kozhikode, were also reorganized. The Northern Circle with headquarters at Kozhikode was now having jurisdiction over Kozhikode, Wayanad South, Wayanad North and Kannur Territorial Divisions and the newly formed Eastern Circle with headquarters at Olavakkode(Palakkad) having Palakkad, Nenmara, Mannarkkad, Nilambur (North) and Nilambur (South) Territorial Divisions under its jurisdiction.

To control the rampant smuggling of valuable timber and other forest produce to the neighbouring Tirunellveli district of Tamil Nadu across the southern State borders of Kerala, a new Territorial Forest Division with headquarters at Achenkovil, was formed with effect from 01.07.1993 comprising Achenkovil, Kallar and Kanayar Ranges. Simultaneously, the existing Kallar Valley Teak Plantations Special Division was abolished. Similarly, in view of the large-scale illicit felling and removal of the rare and endangered Sandal wood trees and consequent depletion of the stock in the Sandal reserves of Marayoor, Kanthalloor and Munnar areas, a Special Sandal Division based at Marayoor was created on 08.06.2005 for ensuring effective protection of Sandal from further depletion and to strengthen the administrative system. The existing Marayoor Range with Marayoor and Nachivayal Forest Stations under Munnar Division, and newly formed Kanthalloor Range with Kanthalloor and Vannanthura Forest Stations, were

added to Marayoor Sandal Division.

Marayoor Sandalwood Depot had been an integral part of the Munnar Forest Division under the Range Office, Marayoor till 08.06.2005. The activities at the Depot included collection, receipt, storage and processing of the Sandal Wood from Marayoor Sandal Reserves and other parts of the State and its sale through public e-auction. With the creation of a separate Forest Division namely, Sandal Division, the Marayoor Sandal wood Depot was brought under the Division.

Thus by 2007, the Kerala Forest Department had five Territorial Circles, viz; Southern Circle with Thiruvananthapuram, Punalur, Konni, Ranni, Thenmala, Achencovil Divisions and Thiruvananthapuram and Punalur Timber Sales (TS) Divisions,

1. High Range Circle with Kottayam, Kothamangalam, Munnar, Mankulam and Marayoor Divisions and Kottayam (TS) Division,
2. Central Circle with Thrissur, Malayattoor, Chalakkudy, Vazhachal Divisions and Perumbavoor (TS) Division,
3. Eastern Circle with Palakkad, Nenmara, Mannarkkad, Nilambur (North), Nilambur (South) Divisions and Palakkad (TS) Division and
4. Northern Circle with Kozhikode, Wayanad (North), Wayanad (South), Kannur, Kasargod Division and Kozhikode (TS) Division.

### **1.2.2 Formation of Wildlife Wing**

Wildlife Wing of KFD was constituted vide G.O (Ms) No.319/84/AD, dated: 02.11.1984 with effect from 01.03.1985 in accordance with the directions issued by the Government of India vide its letter No.6-14/82/FRY(WL), dated: 23.09.1982. In the said letter, the Government of India had directed all states to constitute a separate Wildlife Wing for the scientific management of Sanctuaries and National Parks in the country. The Government of India had also prescribed that a minimum of 33% of State's land area shall be maintained as forests out of which forests over 10% of the land areas shall be declared and managed as Protected Areas (PA) for

conservation of Wildlife and bio-diversity. The Chief Conservator of Forests and Chief Wildlife Warden (CWW) as the head of Wildlife Wing began functioning in 1985 to ensure scientific and sustainable management of Protected Areas.

In 1978, a separate Field Directorate with headquarters at Kottayam, headed by a Conservator of Forests, was created for the implementation of the Project Tiger. As on 31.03.2019, the Kerala Forest Department has 6 National Parks and 17 Wildlife Sanctuaries and one Community Reserve working harmoniously towards its goal.

**Table 1 - National Parks and Wildlife Sanctuaries**

Sl No.	Name	Area (km <sup>2</sup> )	Year of formation
<b>National Parks</b>			
1	Eravikulam National Park	97.000	1978
2	Periyar National Park	*350.00	1982
3	Silent Valley National Park	**237.520	1984
4	Anamudi Shola National Park	7.500	2003
5	Mathikettan National Park	12.817	2003
6	Pambadum Shola National Park	1.318	2003
<b>Wildlife Sanctuaries</b>			
1	Periyar WLS (Tiger Reserve)	***925.000	1950
2	Neyyar WLS	128.000	1958
3	Peechi - Vazhani Wildlife Sanctuary	125.000	1958
4	Parambikulam WLS (Tiger Reserve)	****643.660	1973
5	Wayanad WLS	344.440	1973
6	Idukki WLS	70.000	1976
7	Peppara WLS	53.000	1983
8	Thattekkad Bird Sanctuary	25.000	1983
9	Shendurney WLS	171.000	1984
10	Chinnar WLS	90.440	1984
11	Chimmony WLS	85.000	1984
12	Aralam WLS	55.000	1984
13	Mangalavanam Bird Sanctuary	0.027	2004
14	Kurinjimala Sanctuary	32.000	2006

Sl No.	Name	Area (km <sup>2</sup> )	Year of formation
15	Choolannur Pea Fowl Sanctuary	3.420	2007
16	Malabar Sanctuary	*****74.215	2009
17	Kottiyoor WLS	30.380	2011
	<b>Community Reserve</b>		
1	Kadalundy – Vallikunnu Community Reserve	1.500	2007
	<b>TOTAL</b>	<b>3213.237</b>	

- \* Periyar National Park (350 Sq.km) Is included in Periyar Wildlife Sanctuary
- \*\* Includes 148 km<sup>2</sup> of buffer zone added to Bhavani range during 2007
- \*\*\* Includes 148 km<sup>2</sup> of Critical Tiger Core areas from Goodrical Range
- \*\*\*\* Includes Core or Critical Tiger Habitat (390.89 km<sup>2</sup>) and Buffer zone (252.77km<sup>2</sup>).
- \*\*\*\*\* These areas are under the administrative control of Divisional Forest Officer, Kozhikode

Subsequently, all the Protected Areas (PAs) were brought under the Wildlife wing and separate Wildlife Divisions (WLD) were also formed to manage them. The Wildlife Divisions started functioning under the Field Directorate. In March 1992, a new Circle was formed namely, Agasthyavanam Biological Park (ABP) Circle for implementing the ABP project with 5 crore Rs. with the objectives of afforestation, eco-restoration, conservation of wildlife and promotion of wildlife tourism in degraded forests of Thiruvananthapuram Forest Division. Thiruvananthapuram and Shendurney Wildlife Divisions (Neyyar, Peppara, and Shendurney) were brought under the control of ABP Circle which had its headquarters at Thiruvananthapuram. Again with effect from 01.01.1996, a new Wildlife Circle based at Olavakkode (Palakkad) with Peechi, Silent Valley, Parambikulam and Wayanad WLDs (Peechi-Vazhani, Parambikulam, Wayanad WLS and Silent Valley National Park) was organised. Later during 2007, Choolannur Pea Fowl Sanctuary was added to this Circle. In April 2006, the post of Circle head was upgraded as Chief Conservator of Forests. To spearhead, manage and monitor land scape level Bio-Diversity conservation, rural livelihood and research activities, a Bio-diversity Conservation Cell initially headed by a Conservator of Forests and later in April 2006 by a Chief Conservator of Forests was created with its office at Forest Headquarters, Thiruvananthapuram. The post has been upgraded to the level of Addl. Principal Chief Conservator of Forests (APCCF) since 31.12.2011.

Thus by 2007, the Wildlife Wing had its Field Directorates at Kottayam with Periyar (East), Periyar (West), Munnar and Idukki WLDs and Palakkad Wildlife Circle with Peechi, Silent Valley, Aralam, Parambikulam and Wayanad WLDs and ABP Circle with Thiruvananthapuram and Shendurney WLDs.

### **1.2.3 Formation of Vigilance and Evaluation Wing**

For co-ordination and systematic evaluation of forestry programmes of the Department and for timely detection and prevention of illicit collection and transport of forest produce, a Forest Vigilance and Evaluation Wing headed by Conservator of Forests, was established in 1971 vide G.O (Ms) No. 289/71/Agri. dated: 23.02.1971. The Vigilance wing has five field units of Flying Squad Divisions namely, Punalur, Kottayam, Ernakulam, Palakkad and Kozhikode assisted by Flying Squad Ranges. In 1991, the Vigilance and Evaluation Wing was further strengthened with the creation of two Vigilance and Evaluation Circles based at Kottayam and Kozhikode with Conservators of Forests to head them. Presently there are four Flying Squad Divisions namely, Thiruvananthapuram, Punalur, Idukki, Kothamangalam under Vigilance and Evaluation Circle, Kottayam and four Flying Squad Divisions viz; Ernakulam, Palakkad, Kozhikode and Kannur under Vigilance and Evaluation Circle, Kozhikode. The Vigilance wing is headed by Principal Chief Conservator of Forests (PCCF) since 04.02.2016.

### **1.2.4 Formation of Working Plan and Research (WP& R) Wing**

Till 1967, preparation of Working Plans was undertaken under the directions of the respective Territorial Conservator of Forests. With effect from 26.04.1968, a separate Working Plan Circle was formed for Working Plans, Research and Training. In 1976, three Working Plan Divisions, each under the charge of a Deputy Conservator of Forests (DCF) at Kozhikode, Thrissur and Kollam were created for the preparation/revision of Working Plans. Again, on 29.04.1981, three more Working Plan Divisions were created each headed by Assistant Conservator of Forests (ACF) in view of the backlog of Working Plans preparation. The Kerala Forest School, Walayar functioning with effect from 01.11.1961, for imparting training in forestry to the Section

Forest Officers and Beat Forest Officers and the Kerala Forest School, Arippa functioning with effect from 27.05.1981 for clearing the backlog of untrained Beat Forest Officers, were also brought under the Working Plan and Research (WP and R) Circle with headquarters at Thiruvananthapuram.

Silvicultural Research had already commenced under the British era in the old Malabar area, which was a part of the former Madras Presidency in 1924. After independence, the Silvicultural Research Division was established in 1952 with headquarters at Kodanad in Travancore-Cochin State to perform adaptive Silvicultural research. It was subsequently shifted to Thrissur in 1958 and finally to Thiruvananthapuram in 1967. This Division was brought under the Working Plan and Research (WP and R) Circle. Till 1956, the Division was headed by the State Silviculturist as was the trend in the forest departments of other States. But in 1957, it was re-designated as Silvicultural Research Officer. The Division is having six Research Ranges for performing field research work. With the objective of collecting data on forest resources such as Bamboo, Reeds, Canes, Medicinal plants etc. on a continuing basis, a Forest Resources Survey Cell (FRSC) headed by an Assistant Conservator of Forests (ACF), based at Thrissur was created on 29.04.1981 under the Working Plan and Research Circle.

In 1990-91, the Forest Schools were separated from the Working Plan and Research (WP and R) Circle and brought under Conservator of Forests (Training). During the course of the implementation of externally aided Kerala Forestry Project (1998-2003), the training portfolio was redesignated as Infrastructure and Human Resource Development (IHRD). The Fire Training Centre, opened at Kulamavu in 1979 under the control of the Working Plan and Research Circle, under Indo-New Zealand Technical Cooperation Programme for imparting training to the forest personnel in preventing, controlling and combating forest fires, was also attached to the Conservator of Forests (Training). These Forest Schools were reconstituted as State Forest Training Institutes (SFTI) with effect from 07.09.2016 and are functioning under the control of APCCF (IHRD), Thiruvananthapuram.

### **1.2.5 Formation of Forest Publicity Wing**

Forest Publicity Wing (which was subsequently renamed as Forestry Information Bureau) was created in 1979. The Bureau functions as a mouth piece of the Department with a view to focus public attention on the importance of forests, securing the cooperation of conservationists and tree lovers, ensuring public involvement in Social Forestry programmes, forest conservation and preservation, promoting public relations, publishing information on Forestry and the Department's achievements for the information of the public.

### **1.2.6 Forest Veterinary Unit**

The Forest veterinary unit was formed with office at Konni during 1979-80. The Forest Veterinary Officer (FVO) visits all the Elephant Camps periodically. His role is about reporting the health status of Elephants, helping DFOs in micro chipping the privately owned Elephants, their treatment and post-mortem formalities. The FVO visits the animal rescue centers and oversees the upkeep of animals. He also attends to the veterinary matters pertaining to the animals in the wild. A full-fledged Forest Veterinary Unit was formed as per GO (Ms) No.12/2017/Forest, dtd.20.03.2017, by creation of posts of a Chief Forest Veterinary Officer and 12 Assistant Forest Veterinary Officers.

### **1.2.7 Mini Forest Survey Unit**

The Mini Forest Survey Unit was established on 28.07.1982 with its headquarters at Kozhikode and an Assistant Director, as its head. The unit is responsible for attending to works of survey of new forest boundaries, re-fixation of old Reserved Forest boundaries, re-fixation of hill men settlements, lease holds and permanent assignments within reserved forests. Now, the wing is headed by an Assistant Director of Survey assisted by 2 Survey Superintendents, 2 Head Surveyors, 1 Head Draftsman, 18 Surveyors and 8 Draftsmen on deputation from the Survey Department.

### **1.2.8 Forest Station System**

The Forest Station System is the first of its kind in the country, and was introduced by the Kerala Forest Department in 1988, based on the model of Police Stations to replace of the Beat-Section System. This system was aimed at delivering a more effective forest protection in the field while utilizing the collective strength of staff. Simultaneously, it also aimed to provide security to the forest protective staff against organized gangs of smugglers. Each Forest Station is headed by a Deputy Range Forest Officer who is assisted by 4 to 5 Section Forest Officers and 12 to 16 Beat Forest Officers depending upon the extent and nature of the forest area under each Station. At present, 124 Forest Stations in 57 Ranges under 23 Divisions are operational. Forest Stations in other Divisions are yet to be commissioned as the process requires creation and recruitment of additional field staff, infrastructure and financial resources.

### **1.2.9 Special Forest Courts**

Special Forest Courts at Manjeri, Punalur, Thodupuzha and Judicial First Class Magistrate Court, Nedumangad were established for trying forest offences exclusively in view of the fact that trial of forest cases in the Subordinate Courts of law was taking a long time for final disposal that resulted in the field staff facing practical difficulties in protection related issues.

### **1.2.10 The Forest Tribunal**

The Forest Tribunal was established in the year 1973 as per Section 7 of the Kerala Private Forest (Vesting and Assignment) Act, 1971 vide G.O (Ms) No.354/73/AD, dated: 22.10.1973. Since the District Courts are barred from entertaining any petition under the Act, petitioners have to approach the Forest Tribunal first. The Tribunal is an independent entity under the administrative control of Forest and Wildlife Department as per G.O (Ms) No. 45/02 / F and WLD, dated: 13.08.2002.

### **1.2.11 Formation of Kasargod Division**

A new Divisional Forest Office with headquarters at Kasaragod was established vide G.O (Ms)No.22/2012/F and WLD, dated: 27.03.2012.

### **1.2.12 Major Milestones**

- 1956 Establishment of a Development Circle at Forest Headquarters
- 1957 Establishment of 3 Circles (Kollam, Chalakkudy, Kozhikode) and 14 Divisions
- 1961 Establishment of a Development Circle at Thrissur for Teak and Eucalyptus plantations in five Divisions under third Five- Year Plan.
- 1961 Kerala Forest Act
- 1961 Kerala Forest School established at Walayar
- 1966 Indian Forest Service revived.
- 1971 Kerala Private Forests (Vesting and Assignment) Act 1971
- 1971 Kannan Devan Hills Resumption of Lands Act
- 1972 Vigilance and Evaluation wing established
- 1973 Wild Life (Protection) Act 1972 adopted by the State
- 1975 Kerala Forest Research Institute established under the Department of Science and Technology
- 1978 Project Tiger Circle formed with Headquarters at Kottayam
- 1980 Forest (Conservation) Act 1980
- 1981 High Range Circle created with Headquarter at Kottayam
- 1981 Industrial Plantation Circle, Perumbavoor was abolished
- 1981 Kerala Forest School established at Arippa
- 1982 Social Forestry Wing was formed
- 1984 Silent Valley declared as National Park
- 1985 As per directions of Ministry of Environment and Forests in Government of India, the wildlife wing was constituted
- 1985 Wildlife Wing established
- 1986 Head of KFD was designated as Principal Chief Conservator of Forests

- 1986 Kerala Preservation of Trees Act came into being
- 1988 National Forest Policy announced
- 1991 Convener system for forestry works introduced
- 1998 State Forest Policy - guidelines issued
- 1998 Kerala Forestry Project (World Bank Aided) commenced
- 2000 Regional CCFs appointed at Kollam and Kozhikode
- 2000 Kerala Forest (Vesting and Management of Ecological Fragile Lands) Ordinance came into being
- 2002 Forest Management Information System (FMIS)Wing established
- 2003 IHRD Wing established
- 2005 EFL Wing Established
- 2005 Kerala Forest (Vesting and Management of Ecological Fragile Lands) Act came into being
- 2005 Kerala Promotion of Tree Growth on Non Forest Areas Act was promulgated
- 2008 State Forest Policy
- 2008 Head of KFD was designated as Principal Chief Conservator of Forests and Head of Forest Force.
- 2010 Establishment of National Green Tribunal
- 2011 Formation of Forest Rapid Response Team
- 2012 Kerala Forest (Regulation of Sawmills and Other Wood-based Industrial Units) Rules
- 2012 Formation of Kasargod Division
- 2014 Implementation of e-auction
- 2018 E-Data base for Captive Elephant
- 2018 Implementation of online booking for Eco-Tourism Centers

### **1.3 Vision, Mission and Objectives**

Forest is a multiuse, multi stakeholder natural resource to be managed as a public trust for the benefit of the present as well as the future generations. Accordingly, the Kerala Forest Department has the following mission, vision and objectives.

**Vision**

- Well managed forests that anchor ecological and socio-economic security.

**Mission**

- Conserve forests for provisioning ecosystem goods and services flow to forest dependent community and to the society, without compromising the ecological integrity of the landscape.

**Objectives**

- To scientifically manage the forests by adopting the ecosystem approach so that the ecosystem goods and services from the forests flow to the society for posterity.
- To improve the hydrological functions of forest catchments so that forests provide optimum water resources to society.
- To conserve the rich biodiversity in forest and support community to conserve biodiversity outside the forest areas.
- To manage forests on participatory and inclusive principles so that the livelihood needs of forest dependent communities are fulfilled through the prudent management of Non Timber Forest Produce (NTFP).
- To sensitise the public on the need for conserving our forests through community based, low impact, ecotourism initiatives that support the livelihoods of the forest dependent communities.
- To enhance social and cultural values of forests.
- To increase the productivity of forests and plantations.
- To popularize tree planting among the public so as to effectively address the negative effects of global warming.
- To improve the knowledge support system on forest management through relevant and appropriate research and capacity development program.
- To function as the readily accessible arm of the Government in the remote and inaccessible areas within/along the periphery of the forests.

#### **1.4 Statutory and Non – Statutory Functions**

- To conserve and expand unique and complex natural forests of Kerala for posterity, particularly with regards to water, biodiversity, extent, productivity, edaphic, environmental, historical, cultural and aesthetic values, without affecting their ecological process.
- To increase the productivity of forest plantations through appropriate management interventions and use of modern technology.
- To increase the tree cover both in non - forest and forest areas.
- To conserve, maintain and enhance the existing gene pool of the State for posterity.
- To reduce pressure on forest through appropriate interventions.
- To enhance the standard of living of the tribes and other forest dependent communities.
- To sustainably conserve and manage bio diversity-rich and sensitive ecosystems such as mangroves, sacred groves, coastal areas, wetlands, homesteads private plantations etc. that are outside the control of forest department.
- To improve the hydrological potential of forest and provide silt free clean runoff.

#### **1.5 Major Acts and Rules Implemented by the Department**

- Indian Forest Act, 1927
- The Cattle Trespass Act,1961
- The Wild Life (Protection) Act,1972
- The Forest (Conservation) Act, 1980
- The Environment (Protection) Act,1986
- The Environment (Protection) Rules,1986
- The Wild Life (Protection) Rules,1995
- The Forest (Conservation) Rules,2003
- The Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006

- The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Rule, 2007
- The Kerala Forest Act, 1961
- The Kerala Cattle Trespass Rules, 1962
- Kerala Private Forests (Vesting and Assignment) Act, 1971
- The Kerala Rules for Payment of Compensation to Victims of Attacks by Wild Animals, 1980
- The Kerala Grants and Leases (Modification of Rights) Act, 1980
- The Kerala Preservation of Trees Act, 1986
- The Kerala Essential Articles Control Act, 1986
- The Kerala Forest Development Fund Rules, 1989
- The Kerala Forests Resources Development Fund Rules, 1989
- The Kerala Grants and Leases (Modification of Rights) Rules, 1990
- The Kerala Forest (Prohibition of felling of trees standing on land temporarily or permanently assigned) Rules, 1995
- The Kerala Forest (Vesting and Management of Ecologically Fragile Lands) Act, 2003
- The Kerala Captive Elephants (Management and Maintenance) Rules, 2003
- The Kerala (Promotion of Tree Growth in Non Forest Land Areas) Act, 2005
- The Kerala Forest (Vesting and Management of Ecologically Fragile Land) Rules, 2008
- The Kerala (Promotion of Tree Growth in Non-forest Areas) Rules- 2011
- The Kerala Forest (Regulation of Saw mills and Other wood based Industrial Units) Rules, 2012
- The Kerala Forest (Restriction on Cutting and Selling of Sandal Trees and Grant of License for Possession and

Transport of Sandal Wood and sandal Wood Oil) Rules,2012

- Kerala Captive Elephants (Management and Maintenance) Rules,2012

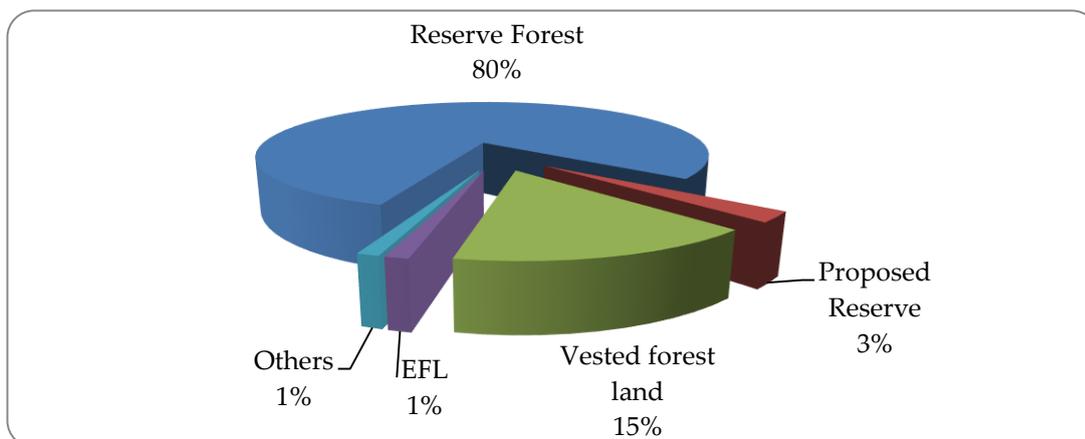

## 1.6 CONSTITUTION OF STATE FORESTS

The forest area under the administrative charge of Kerala Forest Department is 11520.058 km<sup>2</sup> at the close of the year 2018-19 and forms 29.65% of the total geographical area of the State (38863km<sup>2</sup>) as against the National average of 23.24%. The per capita forest land of the State as per 2011 Census is 0.035 Ha. The total plantation area is 1562.856 km<sup>2</sup> which accounts 13.57% of the total forest area.

*Table 2 - Distribution of Forest Area and their Legal Status*

Type of Forests	Extent in km <sup>2</sup>
Reserved Forest (RF)	9195.704 km <sup>2</sup>
Proposed Reserve (Prop. RF)	291.606 km <sup>2</sup>
Vested Forest Land (VF)	1766.062 km <sup>2</sup>
Ecologically Fragile Land (EFL)	137.659 km <sup>2</sup>
Others (PA Status only)	129.027 km <sup>2</sup>
<b>Total Forest Area</b>	<b>11520.058 km<sup>2</sup></b>

**LEGAL STATUS-WISE DISTRIBUTION OF FOREST AREA OF KERALA**

Circle and Division wise distribution of forest area (km<sup>2</sup>) according to legal status as on 31.03.2019 is given below.

**Table 3 - Circle and Division wise Forest Area (km<sup>2</sup>)**

\*\* Includes an extent of 372.98 Sq. km Cardamom Hill Reserves (CHR) in Munnar

\*\*\* Protected area (Status only)

## 1.7 DEMARCATION OF FOREST BOUNDARIES

The major activities taken up in the department during 2018- 19 were survey of forest boundaries, forest protection and regeneration of denuded forests. Boundary demarcation was carried out by construction of cairns and “kayyalas” (dwarf walls) along the boundary of the forests. Degraded forest areas were rehabilitated by planting in gaps with the local species. Protection of the forests from fire was carried out mainly by

undertaking fire lines and engaging fire protection watchers. The achievements under the above activities during the current year are given below.

**Table 4 - Demarcation of Forest Boundaries as on 31.03.2019**

<b>Sl.No</b>	<b>Boundary Demarcation</b>	<b>Length(km)</b>
1	Total length of forest boundary	16845.81
2	Length of Natural boundary not requiring demarcation	5291.07
3	Total length of boundary requiring demarcation	11554.74
4	Total length of boundary demarcated	9541.83
5	Length of boundary which require demarcation as on 31.03.2019	2012.68
6	Junda constructed during 2018-19	700 km 14618 nos.
7	Approximate no. of Jundas to be constructed for completing boundary consolidation	45060.00

### **1.8 IMPROVING PRODUCTIVITY OF PLANTATIONS**

The Department is having around 1,50000 Ha (13% of total forest area) of forest plantations of various species of which Teak covers an extent of approximately 76,700 Ha (51% of the total plantation area). The annual revenue of the Department comes mainly from the thinning and final felling of these plantations. While on the one hand, due to enhanced protection to the wildlife, the animal populations of different species have increased over the years, on the other hand, extensive damage to newly established plantations is caused by Sambar Deer and Elephants. Scientific methods for enhancing the quality of soil and the planting stock are also being adopted to ensure better yields from new plantations.

**Table 5 - Plantations raised during 2018-19**

<b>Scheme</b>	<b>Planting New Areas (Ha)</b>	<b>Maintenance of plantations (Ha)</b>
Hardwood Species	197.70	1158.52
Industrial Raw Materials	236.97	980.08

## CHAPTER 2

### ORGANISATIONAL SETUP

#### 2.1 ORGANISATIONAL STRUCTURE OF THE DEPARTMENT

During the year 2018-19, the Department was headed by Shri.P.K. Kesavan IFS, the Principal Chief Conservator of Forests and Head of Forest Force (PCCF and HoFF). The Principal Chief Conservator of Forests and Head of Forest Force is the Chief Advisor to the State Government on all forestry matters and is responsible for the implementation of various activities and projects under Plan, Non Plan and Centrally Sponsored Schemes in the department. The other Principal Chief Conservators of Forests, Additional Principal Chief Conservators of Forests and Chief Conservators of Forests work to assist the Principal Chief Conservator of Forests and Head of Forest Force in the day-to-day management of the Department and for the implementation of various activities and projects.

The Organisational structure of the department is as follows:

*Table 10 - Organisational set up during 2018-19*

Offices	Officers
Office of the Principal Chief Conservator of Forests and Head of Forest Force.	Principal Chief Conservator of Forests (Wildlife) and Chief Wildlife Warden

## 2.2 FOREST CIRCLE

For the general management and administration of the forests of the State, there are 11 Forest Circles (Territorial: 5, Wildlife: 3 and Social Forestry: 3) headed by officers of and above the rank of Conservator of Forests. Circles are comprised of Forest Divisions and divisions are headed by a Divisional Forest Officer (DFO). The Forest Divisions are comprised of Forest Ranges and the Range is headed by a Range Forest Officer (RFO). The number of Forest Circles, Forest Divisions and Forest Ranges under various wings of the Department are given below.

*Table 12 - Circles/Divisions/Ranges under the Department*

Category	Circles	Divisions	Ranges
Territorial	5	25	76
Timber Sales (functional)		6	28 Timber Depot including Mullumala (Annex)
Wildlife	3	11	27
Social Forestry	3	17*	32
Nature Study Centre		1	1
Working Plan and Research	1	9**	
Vigilance and Forest Intelligence	2	8	18
Training	1	2	
<b>Total</b>	<b>15</b>	<b>79</b>	<b>182</b>

\* 3 of which are Social Forestry Extensions

\*\* 2 of which are Research Divisions

*Organisation chart of the department is given as Annexure-4*

## **CHAPTER 3**

### **HUMAN RESOURCES**

Over the last few decades, the Kerala Forest Department has evolved in response to the changes in the society governed by global and national trends. The Forest departments in all other states have also witnessed many changes in their working. To begin with a few, the introduction of Indian Forest Service as an All India Service in 1966, the nationalization of private forests in 1971 by the State Government of Kerala which added 1.83 lakhs hectare to the forest area of Kerala Forest Department, the enactment of Wildlife (Protection) Act, 1972 and so on. The ever increasing role of foresters in the management of myriad aspects of forestry and conservation of biodiversity brought about the necessary changes in the way the human resources of the department were recruited, inducted and trained for the job. When the KFD implemented the World Bank Aided Social Forestry Project during 1984-1993, the World Food Programme during 1990-1999 and the World Bank assisted Kerala Forestry Project during 1998-2003, there was a felt need to increase the staff strength at various levels and strengthen the human resource of the department with a well trained work force that was professionally equipped to meet the new challenges.

Prior to 1961, the Section Forest Officers and Beat Forest Officers of the Kerala Forest Department were trained at Forest School Coimbatore. The Kerala Forest School at Walayar, near Palakkad was established in 1961 to train Section Forest Officers and Beat Forest Officers. Similarly, the Forest Rangers and the State Forest Service Officers (ACFs) are given Forestry Training at the Forest Ranger's Colleges and State Forest Service Colleges, under the Directorate of Forest Education, Dehra Dun. After technical training, the Range officers undergo one year practical training whereas the Assistant Conservators undergo 2-years Departmental training. The Indian Forest Service Officers (IFS) undergo 2- years Diploma Course in Forestry (Associate of Indian Forest College) at the Indira Gandhi National Forest

Academy, Dehradun and 6 months Departmental training in the State to acquaint themselves with the working of the Departments of Forest, Revenue, Police, Judiciary and Industry and to study related aspects.

To improve their skill in fire management, the forest technical personnel were given training on modern methods of forest fire control at the Fire Training Centre, Kulamavu, established in 1979 under Indo-New Zealand Technical Co-operation Programme. This institution was closed down in 1984 and the fire training responsibilities were shifted to Forest Training Institute at Arippa. Similarly, to improve the working conditions of the organisation, and to enhance the efficiency and skills up-gradation of the forest personnel at various levels, under the World Bank assisted Kerala Forestry Project, a cross section of the staff were trained in basic computer handling, Finance Management, Information System and data entry for preparing accounts using FMIS software, Eco-Development, Geographic Information System, Digital Image Analysis.

(2) ) Go(MS) No 110/2015 forest dated 28.12.2015

As per above GO 185 supernumerary Watcher post were existed

**3.1.1 Details of Employees working on Contract/Deputation:-** During the year, a total of 17 personnel were engaged on Contract/Deputation basis in the department.

**3.1.2 Recruitments made during the year (cadre wise numbers) including Compassionate Appointments:** - The cadre wise list of recruitment made during the year is as follows.

*Table 15 - Recruitments during 2018-19*

Sl No.	Name of Post	Numbers of Post
1	Range Forest Officer	7
2	Beat Forest Officer	256
3	Clerk	38
4	Typist	7
5	Driver	3
6	Office Attendant	22
7	Night Watcher	18
8	Depot Watcher	1

Sl No.	Name of Post	Numbers of Post
9	Confidential Assistant	2
10	Part Time Sweeper	15
11	Tent Lascar	1
	<b>TOTAL</b>	<b>370</b>

**3.1.3 Retirements:-** During the year 2018-19, a total of 265 persons retired from the service from the department including nine IFS officers. Out of the remaining 256 persons, 88 were Gazetted officers while the rest 168 were non-Gazetted staff.

**3.1.4 Posts created:-** During 2018-19, 99 new posts were created in the department. Which are Deputy Range Officer-10, Section Forest Officer-40, Beat Forest Officer-29, Driver-10, Part Time Sweeper-10.

**3.1.5 Supernumerary posts operated:-** No Supernumerary posts were created during the year.

**3.1.6 Consultants engaged:-** During 2018-19, consultants for different projects were engaged by the department as described below.

- In Nilambur South one consultant was engaged for the preparation of Kodikuthimala Eco- Tourism Project plan in Eastern Circle, Palakkad.
- M/s. Stesalit Systems Ltd., was engaged for conducting carrying capacity study in selected four ecotourism sites of Kerala.
- IFGTB (Institute of Forest Genetics and Tree Breeding), Coimbatore, a Government of India undertaking was engaged to conduct carrying capacity study in Pakkam – Kuruva Ecotourism site in South Wayanad FDA.

**3.2 TRAINING:-** A total of 1198 officers/ staff of the Department were imparted training in different topics/ subjects in various institutions during the year 2018-19.

**3.3 AWARDS/REWARDS FOR MERITORIOUS SERVICE:-** During the year, 20 officers of different cadre in the Department were Awarded Chief Minister's Forest Medal for their Meritorious Service. Kerala Forest Department got 4<sup>th</sup> place with 26 Gold, 20 Silver and 21 Bronze Medal and an Overall points at 240 in the 24<sup>th</sup> All India Forests Sports and Games Meet held at Raipur, Chhattisgarh on January 2019.

**3.4 DISCIPLINARY PROCEEDINGS AGAINST DEPARTMENTAL PERSONNEL:-**

During 2018-19, disciplinary actions were recommended against 93 personnel. Disciplinary action were recommended against 2 Divisional Forest Officer, 3 Deputy Conservator of Forest, 6 Assistant Conservator of Forest, 23 Range Forest Officers, 7 Deputy Range Forest Officer, 18 Section Forest Officer, 23 Beat Forest Officer, 1 Senior Superintendent, 2 Junior Superintendent, 11 Clerks, 1 Watcher, 2 Office Attendant and 3 Tribal Watchers.

## **CHAPTER 4**

### **FUNCTIONING OF THE DEPARTMENT**

The Kerala Forest Department works for the development, conservation and protection of the natural forests, wildlife and the rich bio diversity of the State and simultaneously strives for the welfare of the forest dependent local people. To achieve these myriad objectives, the department has over the time evolved several professionally equipped wings within the organization, and has built up their capacity to undertake all kinds of forest related activities in conjunction with other stakeholders. Various activities and projects entrusted by the State and Central Governments are efficiently and effectively being implemented by the Forest Department through its fourteen wings at the Headquarters. The functions and achievements of various wings of the Department during the reporting year are summarized below.

#### **4.1 ADMINISTRATION WING**

The Additional Principal Chief Conservator of Forests (Administration) through the wing is responsible for general administration within the Forest Department. The Administration wing looks after all the service matters such as recruitment, appointment, promotion, transfer and postings, disciplinary action, pension, payment of travelling allowances, medical claims, loans and advances etc. in respect of officers of Kerala State Forest Service, Kerala State Forest Subordinate Service, Last Grade and Part-Time Contingent Services. Service matters of special category of personnel like Wildlife Assistants / Deputy Director of Wildlife Education and officers and staff on deputation to the Forest Department (except for Indian Forest Officers on deputation to and from KFD) are also dealt by the Administration wing. Likewise, the Administration wing also initiates framing of Special Rules and proposes amendments to the service Rules to the Government from time to time. Consolidation of reports on Legislative Assembly Interpellation and Right to Information Act are also carried out in this wing.

In the current year, the Administration wing has successfully conducted recruitments of various categories of staff through District Offices of the Kerala Public Services Commission. The Administration wing has worked tirelessly to give timely promotions to the eligible serving officials/staff of the department.

#### **4.2 BIODIVERSITY CELL**

The occurrence of the Western Ghats in the entire length of the State of Kerala , its peculiar landscape and the coastal regions of the state have made it a unique bio diversity hotspot in the country which is rich in several species of critically endangered flora and fauna . The forests of Kerala are home to several endangered and endemic species which are enlisted in the table below. Kerala is also one of the States with the largest population of Captive Elephants in the country.

The task of the Bio Diversity Cell (BDC) based at Headquarters, headed by Additional Principal Chief Conservator of Forests, is of preserving this natural treasure, in its true self, through several social and eco-friendly activities. The APCCF (BDC) supervises and performs the functions relating to conservation of Biodiversity in all areas outside the realm of conventional protected forest areas of the department. These are special-needs areas for conservation such as Sacred Groves, Mangroves and Wetlands. The APCCF (BDC) in effect also works to assist the PCCF and Chief Wildlife Warden of the KFD in discharging his duties pertaining to the implementation of Wild Life (Protection) Act, Bio-diversity Act, etc. Management of Captive Elephants is also overseen by the Additional Principal Chief Conservator of Forests (BDC).

**Table 16 - Flora and Fauna under IUCN threat category that are found in Kerala**

**4.2.1 Captive Elephant Management:-** The evolution of elephant management paralleled the socio-economic and political changes in the state of Kerala and transitioned from the deification to the present day precarious situation. Captive Elephants enjoy a special status in its cultural, religious and social arena. To ensure the welfare of these animals in captivity, the Kerala Captive Elephants (Management and Maintenance) Rules were framed first in 2003 and subsequently revised in 2012. Now, the provisions of Wildlife (Protection) Act, 1972 and the Kerala Captive Elephant (Management and Maintenance) Rules, 2012 are strictly implemented in the State. Legal action is taken against violators of these Acts. State and District level Task Forces on Captive Elephants were constituted vide G.O (Ms)No.03/2015/F&WLD, dated, 17.01.2015 for ensuring the welfare of Captive Elephants especially, by preventing cruelty against them and through continuous monitoring.

**Table 17 - Number of Captive Elephants during 2018-19**

**Highlights in Captive Elephant Management during 2018-19**

- Population assessment of Captive Elephants in Kerala was conducted on 29.11.2018 and it was ascertained that a total number of 521 elephants were alive as on the date of census. The sex-wise numbers of Captive Elephants in the state as on 29.11.2018 is as Male – 401, Female – 98 and Makhna– 22. Six elephants died thereafter and 515 Captive Elephants were alive in the State of Kerala as on 31.03.2019.
- During 2018-19, a comprehensive set of rules were drafted for ensuring scientific management of these *Pachyderms* in captivity, with a special emphasis on physiological and biological requirements of the species. The same is under consideration in the Government.
- A centralized data base on Captive Elephants in the State has been prepared based on DNA profiling, incorporating all details pertaining to each individual elephant.
- A mobile and web based application viz; *Kerala Captive Elephant Management System (kecms.in)* was prepared based on the data base. This will be useful to all field officers, general public and elephant owners for scientific identification of all individual elephants and in the investigation of offences related to Captive Elephants.
- An online web portal system for monitoring a total of 96 selected Captive Elephants was implemented during 2018-19. The individual elephants were

selected based on their demand for various festivals. The complaints received in their respect are being monitored on a fortnightly basis through this portal. This ensures proper management and welfare of elephants in captivity and in prompt detection of violation of rules and regulations related to Captive Elephants.

### **4.3 DEVELOPMENT WING**

The development wing of the department is mandated with the task of looking after the implementation of all developmental projects/works of various wings in different areas that are funded by the state as well as Central Governments. The wing is headed by Principal Chief Conservator of Forests (Forest Management) who is assisted by the Additional Principal Chief Conservator of Forests (F, B & A). The office of the APCCF (F, B & A) is assisted by three major sections, viz; Planning, Accounts and Statistics Wing.

The Planning Section prepares the five year plan proposals in respect of the Department and Annual Plans of Operations budget wise. It also ensures the timely submission of the same to the State Government, State Planning Board and to the Government of India as the case may be. Preparation of the demands for grant, allocation of funds to various Divisions, Circles and other wings of the Department, conducting mid- term review of the five year plan and annual plan proposals, submission of revised budget proposals as and when required, taking up proposals for works which require administrative sanction from Government, procurement and distribution of department vehicles, allotment of staff quarters in the Headquarters, their repair and maintenance *etc.* are also some of the important tasks entrusted to the development wing. Besides these, to liaison with other wings of the Department, Government of India, Government institutions and External Funding Agencies form another important function of the Planning Section.

The Accounts Section is entrusted with the submission of monthly accounts in respect of the Department to the Accountant General and Comptroller and Auditor General of Kerala. The Addl. Principal Chief Conservator of Forests (F, B&A) ensures that the subordinate offices of KFD submit their monthly accounts on time, rectify defects in the reports and prevents delays in onward submission. He also designs, develops and maintains internal control mechanisms review finance, budget, and expenditure position within the department. The wing also monitors the revenue collection by the Forest Department and reports the same to Government from time to time. Audit wing attached to Accounts Section, gives timely replies to the audit queries and ensures that the audit query replies are received in time by the various wings of the Department. The section compiles and submits reports to the Public Accounts Committee, Subject Committee etc. in the Government of Kerala.

The Statistics wing is headed by the Deputy Director (Statistics) and assisted by two Research Assistants and four Statistical Assistants. Statistical Assistants of various Circles / Divisions are involved in collection and compilation of data. At the headquarters, information thus collected is processed for updating forestry database every year. The Statistics Wing is responsible for preparation of Annual Administration Report, annual publication titled 'Forest Statistics' and monthly progress reports for both plan and non-plan of various schemes implemented by the Department. The wing furnishes statistical reports to different agencies of Government of India and State Government. So far, annual reports up to the year 2017-18 have been prepared by the Statistical wing.

**4.3.1 Major Schemes of KFD:-** The major schemes implemented by Development wing during the current year are as follows;

**4.3.2 NABARD-RIDF:-** This scheme is aimed at strengthening of infrastructure in forest areas and funds for expenses on the same. During 2018-19, the funding requirements under the scheme were met through the following tranches, viz; NABARD - RIDF XIX, XX, XXII, XXIII and XXIV. The details of ongoing projects under NABARD-RIDF are listed in table below.

*Table 18 - Ongoing projects under NABARD-RIDF*

Sl. No.	Tranche No.	No. of projects	Project cost (lakhs)	Loan sanctioned (lakhs)	Expenditure (lakhs)
1	XIX	2	2120.39	1984.53	1848.12
2	XX	2	4290.00	4075.50	3624.28
3	XXII	4	2262.00	2148.90	1128.78
4	XXIII	1	2250.00	2137.50	415.68
5	XXIV	2	2222.07	2110.96	0

**4.3.3 Intensification of Forest Management (IFM):-** IFM renamed as Forest Fire Protection Management Scheme (FPMS), is a 60% Centrally Sponsored Scheme (CSS) of the Government of India. Government of India had accorded sanction for the annual work programme under IFM scheme for a total cost of 489.53 lakhs. An amount of 293.718 lakhs was sanctioned as Central share during 2018-19 and the corresponding State share came to 195.812 lakhs. The expenditure incurred was 357.359 lakhs.

#### 4.4 ECO DEVELOPMENT & TRIBAL WELFARE WING

The State had adopted Participatory Forest Management (PFM) as a strategy for the protection of forests and to manage the non-timber forest resources in a sustainable manner with the active participation of forest dependent communities. The participatory mechanism is activated through *Vana Samrakshana Samithies* (VSSs) and Eco Development Committees (EDCs) in Territorial Forest Divisions and Wildlife Divisions respectively. The VSSs and EDCs are the grass root level organizations with forest dependent families as members, who participate in the planning and implementation of various forestry and community development programmes. As on 31<sup>st</sup> March 2019, 400 VSSs and 190 EDCs are functional in the State. VSSs and EDCs are federated at Forest Division level into Forest Development Agencies (FDAs) which are societies registered under *the Travancore–Cochin Literary, Scientific and Charitable Societies Registration Act, 1955 and Societies Registration Act 1860*. There are 36 FDAs in the State as on 31<sup>st</sup> March 2019. Since the formation of State Forest Development Agency (SFDA), Kerala during 2010, the funds to division level FDAs are routed through the SFDA and it also monitors the programmes and schemes implemented by FDAs.

Forest-dwelling Scheduled Tribes form an important characteristic of the forest landscape in Kerala. A major function of the E&TW wing is to undertake programs for the welfare and development of these culturally rich but under privileged tribes. A total of 725 tribal settlements are distributed in 90 Ranges of Kerala Forest Department. Abstract of tribal settlements in forest are shown below.

**Table 19 - Abstract of Tribal Settlements inside the forest**

<b>No. of Ranges</b>	<b>No. of Settlements</b>	<b>Number of families</b>	<b>Area of settlements (Ha)</b>
90	725	35817	21696.22

Forest Department has implemented the following projects/schemes under Eco- Development & Tribal Welfare during 2018-19

**4.4.1 Green India Mission (GIM):-** Green India Mission was conceptualized to address key concerns related to climate change in the forestry sector, namely adaptation and mitigation. The Mission under takes a broader landscape approach to address the challenges faced by Environment, Forest and Wildlife sectors while supporting local communities to meet their necessities of fodder, fuel and lively hood. The Government of India had approved the Green India Mission Perspective Plan for Kerala at a cost of Rs. 333.00 crores for five years. Funds for this Centrally Sponsored Scheme are allotted in 60:40 ratios by the Central and the State Governments.

**4.4.2 Eco-tourism:-** Eco-tourism has proven to be a useful intervention in the forestry sector which can potentially support the livelihood needs of the forest-dependent communities while ensuring minimal impact on the ecosystems. Kerala is blessed with several places of naturally beautiful landscapes and wilderness, offering the eco-tourist a novel experience of the natures' bounties. The Department has 60 Ecotourism locations as Eco- Tourism destinations which are managed by the FDAs in liaison with the Forest Department, in a responsible manner. An amount of Rs. 657.585 lakhs was expended during 2018-19 for the ecotourism activities under the budget head '4406-01-800-91 – Ecotourism'.

**4.4.3 Tribal Insurance Scheme:-** The Department took initiative for covering the forest dwelling tribal population under a comprehensive Insurance Scheme which has proven to be very useful for them. Vide Government Order No. GO (MS) 12/95/F & WLD dated, 15/03/1995, the Insurance Scheme for the tribal population residing in the forests of Kerala was approved with Personal Accident cover and hospitalization benefits. The scheme was implemented in association with M/s. United India InsuranceCompany Ltd. The policy period was for one year and subject to renewal every year. During the current financial year the policy was renewed on 20.06.2018 for a period of one year up to 21.06.2019.

**4.4.4 Ecosystem Management Funds (EMF):-** The conservation efforts of the Forest Department are supported to some extent through a special fund called the Ecosystem Management Fund, which is formed using service charges from ecotourism activities in 60 locations around the State. During 2018-19 an amount of Rs.1664.52 lakhs was collected as service charge, making up the bulk of the Eco-system Management Funds (EMF) by the FDAs.

**4.4.5 Vanasree Units:-** The marketing of Non-Timber Forest Produces, artifacts and handicrafts made by forest dependent communities is important for ensuring their profitability and sale volumes. Vanasree is a marketing initiative taken up by Kerala Forest Department for this purpose. There are 36 *Vanasree Eco-Shops* in the State under 22 FDAs which includes 2 mobile units. During 2018-19, the sales revenue from *Vanasree Eco-Shops* was to the tune of Rs.4.54 crores.

**Table 20 - Division wise Location of Vanasree Eco-shop**

**4.4.6 Minimum Support Price (MSP):-** State Forest Development Agency (SFDA), Kerala, functioning under the E&TW wing, had entered into an agreement with Tribal Co-operative Marketing Development Federation of India Ltd., New Delhi (TRIFED), a Government of India undertaking working in the field of NWFPS, to implement the Minimum Support Price (MSP) for Minor Forest Product (MFP). As per the agreement, TRIFED will give minimum support price (MSP) to honey collected by tribal communities in the State and also will help to sell their products and Vanasree products through the sale outlets of both Vanasree and TRIFED.

The Department entered into an agreement with M/s. Stesalit Systems Ltd., Kolkata, to undertake carrying capacity study in selected Ecotourism sites of Kerala and entrusted study on 4 sites viz; Periyar Tiger Reserve, Shola National Park, Chinnar Wildlife Sanctuary and Eravikulam National Park.

**4.4.7 Fencing around Forest Boundaries:-** A project named “Fencing around Forest Boundaries’ was approved by the State Government under KIIFB for an amount of Rs.100 crores and the State Forest Development Agency (SFDA), Kerala was designated as Special Purpose Vehicle (SPV) for implementation. Administrative sanction was accorded for the first phase of 25 crores and implementation of the project has commenced during the year. During 2018-19, revised administrative sanction was accorded by the Government for the first phase of the project for Rs. 26.40 crore vide GO (Ms)No.40/2018/F&WLD dated 13.09.2018. The project is being implemented successfully and the works are ongoing in the field.

**4.4.8 Achievements in Eco-tourism during 2018-19**

- TRIFED, a Government of India undertaking has approved the Minimum Support Price (MSP) for Minor Forest Produce (MFP) Scheme for an amount of Rs. 928.40 lakh. The scheme aims at providing support for improving value addition and marketing facilities of FDAs and improve the Vanasree units. Government of India had released an amount of Rs. 357.75 lakh, being the 75% of Central Share for the MSP for MFP Scheme against the total approved outlay of Rs. 556.66 lakh. The release of 25% share of State Government is awaited.
- An agreement was entered into with IFGTB, Coimbatore, an ICFRE institute under Government of India, to carry out the work of conducting carrying capacity study in Kuruva Ecotourism site under South Wayanad FDA for an amount of Rs. 2.208 lakh.

- Project Green Grass, a scheme introduced by the State Government to keep the forest areas clean and waste free was implemented successfully.
- An agreement was executed with M/s. Streetbell Technologies, Thiruvananthapuram, to introduce online marketing of Vanasree products and online entry to ecotourism destinations.

**4.4.9 Consultants engaged during 2018-19:-** M/s. Stesalit Systems Ltd. has been engaged for conducting carrying capacity study in selected Ecotourism sites of Kerala and was awarded four sites for conducting the study in its first phase. M/s. IFGTB, Coimbatore, a Government of India Undertaking was engaged to conduct carrying capacity study in Pakkam – Kuruva ecotourism site in South Wayanad FDA.

**4.4.10 New projects launched:-** Vide GO(Ms) No. 46/2018/F&WLD dated 12.11.2018 Administrative Sanction for the Phase – II was accorded by the Government for the project namely “Fencing Around Forest Boundaries” under KIIFB for an amount of Rs. 7361 lakh to be implemented during 2019-20.

**4.4.11 Projects completed :-** The Green India Mission, Ecotourism, Vanasree etc. which are implemented through Forest Development Agencies (FDAs) and monitored by SFDA, Kerala are continued in current year too.

#### **4.5 ECOLOGICALLY FRAGILE LAND (EFL) WING**

The Kerala Forest (Vesting and Management of Ecologically Fragile Lands) Act, 2003 is an Act which provide for vesting the Ecologically Fragile lands in the State with the Government of Kerala. It also allows for the management of such lands with a view to maintain ecological balance and conserving the bio-diversity. The Act got the assent of Honorable President of India on 25<sup>th</sup> April, 2005 and was notified on 3<sup>rd</sup> of May, 2005. The Act is deemed to have come into force on the 2<sup>nd</sup> day of June, 2000. Before the enactment of the Act, The Kerala Forest (Vesting and Management of Ecologically Fragile Lands) Ordinance (06/2000) was promulgated, which came into effect on 02.06.2000. Till the enactment of the Act 21 of 2005, the Principal Chief Conservator of Forests was the Custodian of Ecologically

Fragile Lands. A separate wing was established on 23.11.2005 and a Chief Conservator of Forests was posted as the Custodian of EFL. At present Principal Chief Conservator of Forests is the Custodian of Ecologically Fragile Lands.

As on 31.03.2019, the State has 137.659 Sq.km of ecologically fragile land. EFL Act provides for various grievance redressal mechanisms under Sections 10, 10(A) and 19 (3) (b) of the Act. Out of the 393 valid applications received under Section 10 (A), 276 were settled. 283 valid applications were received under Section 19 (3) (b), of which 254 have been disposed. Rest of the applications are at various stages of disposal.

The Kerala Forest (Vesting and Management of Ecologically Fragile Lands) Rules, 2007 were notified on 3/2/2007. As per G.O (P) No.35/2007/F&WLD dated 08/06/2007, Tribunals (under Section 9 of the Act) have been constituted at Kozhikode, Palakkad, Kottayam and Kollam Districts under the Additional District Judge for redressal of grievances. The Kerala Forest (Vesting and Management of Ecologically Fragile Lands) Tribunal Rules, 2007 were framed as per G.O (P)No.64/2007/F&WLD, dated 10.10.2007 and notified in the Gazette.

**Table 21 - Cases Pending before the EFL Tribunals**

<b>Sl. No.</b>	<b>Tribunal</b>	<b>Number of cases</b>
1	Kollam	4
2	Kottayam	1
3	Palakkad	178
4	Kozhikode	114

## **4.6 FORESTRY INFORMATION BUREAU (FIB)**

Forestry Information Bureau is the public relations and extension arm of the Department. The Bureau also undertakes works like printing and publishing of booklets and pamphlets covering various activities of the Department, arranging for wide publicity in connection with World Forestry Day, World Earth Day, World Environment Day, Wildlife Week etc., FIB is also mandated with the task of designing and releasing advertisement to media, designing, developing and distributing exhibits for field offices, developing documentary films and arranging general publicity for State level functions of the Department. FIB has brought out the monthly magazine of the department, 'Aranyam' since August, 2015 the magazine is at par with existing National level publications, in the field of forestry and wildlife aspects, in its quality and contents. This monthly is well appreciated by the more than 1500 annual subscribers. 'Aranyam' is now upgraded and equipped with multi colour pages. During the year, the Bureau has printed and distributed (i) Forest Guide 2019, (ii) a book on 'Ocean Species' and (iii) a guide on 'Forest Produce and its GST'. The Bureau had also documented the flood relief works under taken by the Forest Department in 2018.

**4.6.1 Exhibition- film show- workshop:-** During 2018-19, the exhibition wing of FIB organized a total of 10 exhibitions including 'Vasantholsvam', 45 workshops and film shows in the State. In addition to this, the FIB had designed the contents for celebrations of World Forest Day(March-21), World Environmental Day (June-5), Snake Bird Day (June -22), Forest Martyr'sDay (September -11), Wildlife week (October 2 -8) and other publicity works. An exhibition was conducted from 24.5.2018 to 30.5.2018 with a handbook of achievements was released on the occasion of the 1000 days of the Govt. and photo albums of Haritha Keralam & World Environmental Day.

## **4.7 FOREST, LAND AND RESOURCES WING**

The Forest, Land and Resources (F, L & R) wing maintains statistics on forest land, prepares and submits proposals for declaration of new reserves, implements restoration of vested forests to owners based on Court judgments, prepares proposals for acquisition of land etc. This wing mainly deals with the

protection of forest wealth by ensuring effective and efficient implementation of various Acts and Rules other than those within the purview of Wild Life (Protection) Act and the Kerala Forest (Vesting and Management of Ecologically Fragile Lands) Acts, 2003 and Acts specifically dealt by other Chief Conservators of Forests. Matters relating to Forest Leases, Vested Forests, Forest Produce except Non-Wood Forest Produce (NWFPs), allotment of raw materials to wood based industries, matters relating to Legislature Committee on assurances, Petition Committee, Environmental Committee and matters relating to Environmental Protection Act are also being handled by this wing.

**4.7.1 Declaration of new Reserved Forests:-** List of proposed Reserves for which Section 4 notification was issued during 2018-19 is given below

*Table 22 - Proposed Reserves that are notified during - 2018-19*

Sl. No.	Division & Range	Name of Proposed Reserve	Gazette number with date / G.O/ Section (4) Notification number	Extent (Ha)

<b>Total</b>				<b>124.2954</b>

#### 4.7.2 Major Achievements

**Survey Training:-** To overcome the delay in survey of forest areas due to lack of Surveyors, Government vide GO (MS) No. 82/15/FWLD dated 26.10.2015 accorded administrative sanction to provide survey training to Section/Beat Forest Officers. During 2018-19 survey training was imparted to 60 Section/Beat Forest Officers.

**Construction of Cairns:-** As part of boundary consolidation to prevent encroachment, about 700 kms of Forest Boundary has been consolidated by constructing 14618 permanent cairns during the financial year 2018-19.

**Modern Record Room:-** A modern record room has been set up in Vanasree Forest Complex, Mathottam, and Kozhikkode to store the forest records. All the district wise records available with Assistant Director, Forest Mini Survey have been stored in safe chest. Modern Record Room became functional since September 2018.

**Forest Stations:-** As per G.O (MS)NO.23/2018/F&WLD dated 04.06.2018, to improve forest protection and enhance facilities of protective staff, the following 10 Forest Stations have started functioning during the financial year 2018-19.

*Table 23 - New Forest Station that are functional during the year 2018-19*

Sl. No.	Name of Forest Station	Division
1	Punnala	Punalur
2	Ezhamkulam	
3	Kadaman Para	Thenmala
4	Kumbhavuruty	Achankovil
5	Kakkayam	Kozhikkode
6	Peruvannamoozhy	
7	Pulppally	Wayanad (South)
8	Vythiri	
9	Mundakkai	
10	Narikkadav	Aralam Wildlife Division

**E-auction:-** In November 2014, e-auction of timber was introduced in the Department. As on today, it has been extended to all timber depots and also for the trade of other forest produces like coffee, pepper etc. Participation of the public in e-auction has increased comparing to the previous year. Officials were trained for implementing e- auction and technical assistance is given to the public and buyers.

**4.7.3 Forest Land Lease:-** Details of forest land leased out to various agencies on long term agreement as on 31.03.2019 are as follows.

*Table 24 - Forest Land Leased out to various Agencies*

<b>Sl. No.</b>	<b>Division</b>	<b>Extent of land leased out (Ha.)</b>
1	Thiruvananthapuram	2433.729
2	Thenmala	68.157

#### **4.8 FOREST MANAGEMENT INFORMATION SYSTEM (FMIS) WING**

This Wing was established as part of the Kerala Forestry Project under ‘*strengthening sector management*’ with the objectives of building the capacity of staff to use and manage information, facilitating flow of information within KFD units, mainstreaming the use of IT, particularly Data Base Management System (DBMS), Geo-Information System (GIS), expanding internet connectivity and increasing the availability of key reference data sets such as an updated forest inventory to users within the KFD. Presently the wing is trying to bring out improvements in the management functions of the Department through efficient and effective application of various modules already developed, besides updating the web- portal of the Department with all the latest information. New modules such as Offence Module, Court Case Module, and Compensation to Wildlife Attack module, Cairns Construction Module and Fire Monitoring Module have been made online, in which data entry is being made. Department has launched 11 Circle websites for uploading Circle level information by the Circle officials themselves. More stress has been given on the use of Information and Communication Technology (ICT) by directing all offices to make most of the communication through e-mail including submission of documents as scanned attachments to e-mails. The wing has been imparting training to the officers of the Department in handling Computer applications for improving efficiency in developing up-to-date Geo-database of forests of Kerala using remote sensing data for various purposes and developing maps of forest areas for the use of KFD officials. This wing is also preparing and implementing various FMIS modules.

Major e- governance initiatives taken by the FMIS Wing for the reporting year are, (i) e- tendering (All tenders above Rs.5 lakhs are being done through e-tender), (ii) sharing of all available spatial data with Kerala Spatial Database Infrastructure (KSDI) as per Government direction, (iii) implementation of File tracking application, (iv) Online Wildlife Photography Contest, Online services- Agasthyarkoodam trekking and Compensation for victims of wildlife attack by way of online application under the e-district programme of KSITM. (108

laptops and multifunction printers have been distributed under this project to Range Forest Officers for implementing the services at Range level), (v) for improving the communication facility – setting up of wireless network system in KFD, Video Conferencing facility from Forest headquarters to various offices, (vi) for securing No - Objection Certificate for wood based industries– Cutting permission for trees in non- forest land in KSWIFT (Kerala Single Window Interface for Fast and Transparent Clearance) platforms developed by KSIDC.

#### **4.8.1 Major Achievements**

- Generated Base Maps.
- Generated various thematic maps. Generated Basic GIS Layers.
- Integrated various Layers for specific studies. Layouts prepared using Google maps.
- Field level data incorporated.
- Atlas for 22 forest divisions prepared.
- Kerala Forest GEO-PORTAL - An online solution where the field officer can take layers of their choice rather than depending on GIS Wing. Field officer can overlay the layers over Google map and Bhuvan images.
- Training in Handheld GPS was given to 150 numbers of Field staff of all territorial and Wildlife circles at various venues during this year.

#### **4.9 INFRASTRUCTURE & HUMAN RESOURCE DEVELOPMENT (IHRD) WING**

The Training Wing in the Department was created during 1990 for training the Department personnel, in order to improve their efficiency. This wing was headed by a Conservator of Forests to begin with which was subsequently upgraded to the status of Chief Conservator of Forests vide G.O (Rt) No. 411/2004/F&WLD, dated: 04.10.2004. Vide G.O (Rt) No. 56/11/2011/GAD, dated: 23.07.2011, the post was upgraded to Additional Principal Chief Conservator of Forests (IHRD).

There are two Forest Training Institutes, one at Walayar and the other at Arippa. Kerala Forest School (Now, State Forest Training Institute), Walayar was opened vide G.O (Ms)No.1220/61/ Agri, dated: 05.12.1961 for imparting training to the Section Forest Officers and the Beat Forest Officers. Forest School (Now, State Forest Training Institute), Arippa was established vide G.O(Ms) 167/81/ Forest dated: 27.05.1981 for imparting training to Section Forest Officer sand the Beat Forest Officers making use of the existing facilities available in the training institute of the Kerala Forest Development Corporation at Arippa. In addition to the above two Training Institutes, a Forest Training Centre (FTC )attached to the office of the Addl. Principal Chief Conservator of Forests (IHRD) at Rajiv Gandhi Nagar (near PTP Nagar), Thiruvananthapuram, has also been functioning with well- equipped Computer Lab for training the staff in FMIS modules, Service and Payroll Administrative Repository for Kerala (SPARK) etc. Hostel facilities for accommodation are also available at the said training centers. In-service training programmes for various categories of staff and officers working in the Forest Department are organised in the Forest Training Centre regularly.

Induction training is being imparted for a period of one year to Section Forest Officers and nine months to Beat Forest Officers at State Forest Training Institute, Arippa as well as State Forest Training Institute, Walayar. An average of about 140 Beat Forest Officers and about 100 Section Forest Officers can be trained in a year by utilising the facilities available at present. For both the Section Forest Officers and the Beat Forest Officers, forestry related subjects such as Forest Botany, Forest Mensuration, Forest Survey, Forest Engineering, Wildlife Management, Forest Acts and Rules etc. are taught in class rooms, besides imparting practical training in the Campus and also through study tours. During study tours, the practical aspects of forestry are given top most priority. Detection, registration and successful prosecution of forest cases, silvicultural operations including regeneration techniques, timber operations including sale of timber etc. are also taught. Physical fitness sessions and games are integral part of the curriculum. On amending the recruitment rules, induction training at Forester (Section Forest Officer) level

is stopped, as there is no recruitment at this level.

During 2018-19, induction training for Beat Forest Officers and compulsory training of Deputy Range Forest Officers & Range Forest Officers (\*FNTR Category) were conducted at the State Forest Training Institutes (SFTI), Arippa & Walayar. 242 Beat Forest Officers, 36 Section Forest Officers, 85 Deputy Range Forest Officers, 2 Wildlife Assistant Grade- II and 10 Forest Drivers had attended the above training. Apart from this 28 B.Sc. (Forestry) students had undergone 10 days training, 72 frontline staff had undergone 2 days training on Forest Management and 54 forest Tribal Watchers had undergone 3 days training during the year. (\*Section Forest officer not trained as Range Forest Officer (FNTR))

**4.9.1 In-service Training:-** Short term in-service training courses at the Forestry Training Centre, Arippa and Forestry Training Centre, PTP Nagar, Thiruvananthapuram are organised for the following categories of officers/staff:

- Assistant Conservator of Forests Range Forest Officers
- Deputy Range Forest Officers Section Forest Officers
- Beat Forest Officers
- Senior/Junior Superintendents/Head Accountants Personal Assistants/ Confidential Assistants Clerk/Senior Clerk
- Drivers
- Forest Tribal Watchers

During the financial year training was imparted to 87 officials from the above categories.

**4.9.2 Refresher courses for frontline staff:-** Refresher courses for frontline staff (Deputy Range Forest Officers/Section Forest Officers and Beat Forest Officers) was organised at SFTI, Walayar and SFTI, Arippa.

**4.9.3 STP Trainings:-** The Department has actively utilised the trainings as per the State Training Policy (STP) organised by the Institute of Management in Government at its Centers in Thiruvananthapuram, Kochi and Kozhikode during 2018-19.

#### **4.9.4 Deputation of IFS Officers/State Service Officers for trainings/**

**workshops:-** During the year 22 officers were deputed to various training courses sponsored by the MoEF and other organizations of GoI and the State Government in different premier institutions in the country.

During the year, 1198 officials in the various cadres of the department were imparted training through the different training programmes. An abstract of the same is given below.

*Table 26 - Participants in the various Training Programmes*

<b>Sl. No.</b>	<b>Institute</b>	<b>No. of Participants</b>

#### **4.9.5 Implementation of Externally aided ‘Japan International**

**Corporation Agency’(JICA) project:-** Ministry of Environment & Forests, Government of India has implemented the JICA funded Project (ID-P-199) titled – ‘Capacity Development for Forestry Management and Training of Personnel’ in eleven states including Kerala. The Kerala Forest Department has undertaken the project implementation for up-gradation of infrastructure of the Forest Training Institutes and revising the syllabus and course

curriculum for the frontline staff (Beat Forest Officers, Section Forest Officers and Deputy Range Forest Officers) of the Department. Infrastructure facilities at the State Forest Training Institutes at Arippa and Walayar were slated to be renovated under this scheme for which 10.87 crores has been sanctioned by Govt. of India. The works of construction/ renovation in both schools was awarded to 'COSTFORD' which have been completed. The period of above project was extended up to October 2018.

The project also had a consultancy for assisting the State Project Monitoring Unit (SPMU) in implementation of the soft component of the project. M/s. Sutra consulting Pvt. Ltd. IRC Village, Bhuvaneswar, had prepared the syllabus, modules, handouts on various subjects and the same were approved by the competent authorities. The consultant has completed the project work and submitted final report.

**4.9.6 State Forest Training Institute (SFTI), Arippa:-** Government of India, as per their letter F. No. 14-41/2003-RT (Kerala), dated: 27.12.2011 had issued administrative approval at a total project cost of 487.53 lakhs and released 438.77 lakhs. Contract for the implementation of all project had been signed with M/S COSTFORD on 24.3.2012. The site was handed over on 2.5.2012 and the work has been completed. In the project, 2 new buildings were constructed (i.e. Hostel and Guest House), renovation of 14 existing buildings was undertaken (i.e. Hostel, Class rooms, Kitchen, Staff Quarters etc.) and site level interventions like road drainage, landscaping etc. were done as per the project mandate.

**4.9.7 State Forest Training Institute (SFTI), Walayar:-** Government of India as per their letter F.No.14-41/2003-RT (Kerala), dated: 20.03.2012 had issued administrative approval and expenditure sanction for SFTI, Walayar, Kerala at a total project cost of Rs. 458.45 lakhs and the same was revised to 462.76 lakhs and the amount released was 413.03 lakhs. Under this project, works on four new buildings (ie.Trainees hostel, Staff Quarters), renovation of six buildings (ie, Academic Block, Administrative Building) and site level interventions like road, foot path, storm water drainage, landscaping, bio-gas

plant, drinking water treatment plant, etc. were taken up.

M/s. Sutra Consulting Pvt. Ltd. IRC Village, Bhubaneswar have been selected for providing consultancy service to SPMU Kerala at total cost of 35.94 lakhs. Government of Kerala vide G.O (Rt) 44/12/F&WLD, dated: 23.01.2012 had approved the same. The consultants submitted the syllabus for induction training of Beat Forest Officers, Section Forest Officers and for compulsory training of Deputy Range Forest Officers and Range Forest Officers (FNTR category). They prepared modules for Beat Forest Officers and Dy. Range Forest Officers in co-ordination with Principals. The syllabus of Beat Forest Officers and Dy. Range Forest Officers have been approved by the Government of Kerala.

#### **4.10 SOCIAL FORESTRY WING**

Social Forestry projects started during 1982 in Kerala with the aim of taking the pressure off the forests by providing green cover in fallow lands outside forests. With the objective of mitigating the adverse effects of Global Warming, the Social Forestry wing embarked on massive afforestation programme outside the forest with involvement of different sections of the society and implemented these as a people's programme. Planting of trees along the railway line, roadsides, canal banks, revenue *purambokes* and Government institutions was also undertaken. Social Forestry also aims at raising various species of seedlings for distribution and planting by public so as to meet the growing demand for timber, fuel wood, fodder etc. thereby reducing the pressure on the traditional forest area.

**4.10.1 Haritha Keralam Padhathi:-** Haritha Keralam Scheme was started in the year 2009-10 with the objective of greening Kerala by way of distributing seedlings free of cost to schools, higher educational institutions, planting in public lands and for media, political parties, and youth organisation based on Government orders issued from time to time. The scheme also included production of seedlings and supply at subsidized rate to local self-government bodies, media, public and other organizations and 66.12 lakh of valuable seedlings have been distributed to public and planted all over the State involving the various agencies as stated above. So far, nine phases of Haritha Keralam

Scheme have been implemented, and the distribution of seedlings to various agencies during these phases is given below:

**Table 27 - Distribution of Seedlings during 2018-19**

<b>Sl. No.</b>	<b>Haritha Keralam</b>	<b>No. of seedlings distributed ( in lakhs)</b>
1.	Phase – I (2009-10)	31.40
2	Phase – II (2010-11)	79.51
3	Phase – III (2011-12)	70.44
4	Phase – IV (2012 -2013)	87.97
5	Phase – V (2013-14)	83.68
6	Phase – VI (2014-15)	73.01
7.	Phase – VII (2015-16)	72.61
8	Phase – VIII (2016-17)	65.29
9	Phase – IX (2017-18)	66.12
10	Phase – X (2018-19)	78.15

**4.10.2 Production of seedlings for Haritha Keralam Padhathi (Phase –X):-** It was decided to implement the Phase – X programme of Haritha Keralam Scheme during 2019-20. For this purpose, about 64.38 lakhs seedlings were raised during 2018-19 for distribution to public and for departmental planting during the planting season of 2019-20.

**4.10.3 Vazhiyorthanal Programme:-** This programme envisages planting of seedlings of more than one year old age on the sides of important roads/ institutions/avenues in Kerala. During 2018-19 about 17456 seedlings were planted.

**4.10.4 Scheme for incentivization of private forestry:-** The proposal to give cash incentives to farmers with an objective of encouraging them to grow more trees and produce timber in private lands was approved by the Government vide G.O (Rt) No. 99/2012/F&WLD, dated: 17.02.2012.The tree species included in this scheme are teak, sandal, mahogany, Anjali, plavu, rosewood, kambakom, kumbil, kunnivaka and thembavu.The scheme is being implemented through individual farmers, VSS, EDC, Kudumbasree units, Self Help Groups,

farmer's co-operatives and NGOs. Those who are planting a minimum of 50 seedlings in their land will be eligible for incentive.

**Table 28 - Amount of Incentives**

(a)	From 50-200 plants	Rs. 50 per plant.
(b)	From 201-400 plants	Rs. 40 per plant with a minimum of Rs. 10000.
(c)	From 401 to 625 plants	Rs.30 per plant with a minimum of Rs. 16000.

50% of the incentives will be given at the end of 1<sup>st</sup> year and the remaining 50% will be given at the end of the 3<sup>rd</sup> year. The scheme also provides cash awards for the best three performers in each of the above said slab at the end of 5<sup>th</sup> and 10<sup>th</sup> year. During the current year 2018-19, Rs.3.10 lakhs were given as incentive to farmers.

#### **4.10.5 Conservation & management of mangroves in Vembanad &**

**Kannur regions:-** The wing has been implementing Centrall Sponsored Scheme for Conservation and Management of Mangroves in Vembanad and Kannur regions since 2006-2007. The funding pattern of the scheme is in the ratio 60:40 by Government of India and Government of Kerala respectively. During 2018-19 an amount of Rs. 145.00 lakhs was allotted to Vembanad region and Rs. 86.20 lakh for Kannur region which were fully utilized.

#### **4.10.6 Biodiversity conservation works done outside reserved forests**

**4.10.6.1 Protection and conservation of Sacred Groves:-** Government vide G.O (Rt) 354/2013/F&WLD dated 12.09.2013 had issued administrative sanction for the implementation of the scheme for protection and conservation of Sacred Groves. The scheme extends financial support to the owners of sacred Groves with a view to preserve 'Kavu', the rich repository of biological resources. As per revised guidelines issued vide G.O (Rt) no. 485/16/F7WLD dated 24.12.2016 an amount of Rs.6.02 lakh was distributed to Sacred Grove owners in Kollam, Ernakulam & Kozhikode regions for the up keep and maintenance of Sacred Groves during 2018-19.

**4.10.6.2 Vanamithra Award:-** Vanamithra award is being given to individuals, educational institutions, NGOs, farmers etc. considering their activities which contribute to the conservation of biodiversity, agro-biodiversity etc. Selection of eligible nominees are done according to the guide lines issued as per G.O (Rt) No.485/F & WLD dated 24.12.2016.14 nominations were selected during 2018-19 and awards were distributed @Rs. 25000/- each.

**4.10.6.3 Mangrove Incentivisation:-** The owners of mangroves are being awarded monetary incentive @Rs.4000/- per acre for their noble gesture for conserving the remaining existing mangroves and protecting them from destruction; there by making available ecosystem services to the society.

The scheme is being implemented by Social Forestry Wing as per guidelines issued vide G.O. (Rt) No. 485/16/F&WLD dated 24.12.2016. The Assistant Conservator of Forests (SF) of each district will invite applications by giving wide publicity on the scheme through the media. The interested owners shall apply to the Assistant Conservator of Forests (SF) of the concerned district in the prescribed format along with proof of ownership and a sketch of the area. The District Committee will decide on the extent of the mangrove and the amount of incentive to be paid to the owner of the mangrove. No applications were received during 2018-19.

#### **4.11 SPECIAL AFFORESTATION WING**

Implementation & Monitoring of Forest (Conservation) Act, 1980:- The Nodal Officer deals with processing of applications received for the use of forest land for non-forestry purposes in the light of Forest (Conservation) Act, 1980, corresponding guidelines of the Hon'ble Supreme Court and the Central Government directives on the same. All the proposals received during 2018-19 which were verified to be complete were processed and assigned to DFOs for further recommendations. Clearance was accorded in most of the cases. Pending application are being processed at various levels.

**Table 29 - Forest Land Diverted under FCA 1980 during 2018-19**

<b>Sl. No.</b>	<b>Purpose</b>	<b>Order No. and Date</b>	<b>Area (Ha.)</b>
1	Diversion of forest land for construction of Bridge at Malampuzha Ring Road – Palakkad in Palakkad Division	GO (Rt) No. 34/2019/F&WLD Dated : 30.01.2019	0.264
2	Diversion of forest land Kommerly Kunju Veedu Colony Road – Kannur	GO (Rt) No. 71/2019/F&WLD Dated. 19.02.2019	0.2046
3	Diversion of forest land for electrification of Kochialumoodu-Kanchinada area of Palode Range in Thiruvananthapuram Division	GO (Rt) No. 262/2018/F&WLD Dated. 01.06.2018	0.07
4	Diversion of forest land for electrification of Pulikavu area of Udumbanoor GP	GO (Rt) No. 254/2018/F&WLD Dated. 29.05.2018	0.5964
5	Diversion of forest land for capacity augmentation to two lane with paved shoulder of NH 744 (old NH 208) from Punalur (45/000) to Kottavasal (81/000) by Executive Engineer, PWD NH Kollam	GO (Rt) No. 261/2018/F&WLD Dated. 01.06.2018	0.5717
6	Diversion of forest land for providing electric connection to Mokka ST Colony in Anchal Range of Punalur Division	GO (Rt) No. 253/2018/F&WLD Dated. 29.05.2018	0.0385
7	Diversion of forest land for electrification of Velloorkara area of Udumbanoor GP in Idukki District in Kothamangalam Division	GO (Rt) No. 278/2018/F&WLD Dated. 14.06.2018	0.8652
8	Diversion of forest land for electrification of Channamala SC Colony in Kulathupuzha Range, Thiruvananthapuram Division	GO (Rt) No. 285/2018/F&WLD Dated. 19.06.2018	0.028
9	Diversion of forest land for electrification of Makkuvally area of Thodupuzha Range of Kothamangalam Division	GO (Rt) No. 301/2018/F&WLD Dated. 25.06.2018	0.077
10	Diversion of forest land for electrification of Cheenikala ST Colony in Anchal Range of Punalur Division	GO (Rt) No. 303/2018/F&WLD Dated. 25.06.2018	0.07

<b>Sl. No.</b>	<b>Purpose</b>	<b>Order No. and Date</b>	<b>Area (Ha.)</b>
11	Diversion of forest land for electrification of Kochukoottakallu area of Karimanoor GP in Idukki Dist.	GO (Rt) No. 306/2018/F&WLD Dated. 25.06.2018	0.1224
12	Diversion of forest land for electrification of the house of Smt. Kala Prayag Perumthoyil and one Anganvady at Perunthoyil in Pathanapuram Range	GO (Rt)No.311/2018/F&W LD Dated. 25.06.2018	0.0021
13	Diversion of forest land for electrification of Manayathadam area in Thodupuzha Range of Kothamangalam Division	GO (Rt) No.311/2018/F&W LD Dated. 28.06.2018	0.070
14	Diversion of forest land for stringing 1.8 km aerial bunched cable (ABC) for inter linking 11 KV Pazhayanoor and Elanad feeder through forest area at Naduppamkund in Machad Range of Thrissur Division	GO (Rt) No. 317/2018/F&WLD Dated. 28.06.2018	0.18
15	Diversion of forest land for electrification of Kaithapara area of Thodupuzha Range of Kothamangalam Division	GO (Rt) No. 317/2018/F&WLD dated. 29.06.2018	0.0735
16	Diversion of forest land for Kulamavu Police Station in Kothamangalam Division of Idukki Dist.	4-KLB 693/2019-BAN/465, GO (Rt)No.465/2018/F&W LD Dated. 03.07.2018 26.10.2018	0.95
17	Diversion of forest land for providing service connection to Sri. Shaiju, KunnumpurathuVeedu, Elavupalam, Thannimoodu, Ex-Service Colony under Kulathupuzha Range	GO (Rt) No. 68/2019/F&WLD Dated. 16.02.2019	0.1201
18	Diversion of forest land for Providing service connection to Smt. Baby KaithakuzhyVeedu, Kudavanadu under Palode Range	GO (Rt)No.50/2019/F&W LD Dated. 08.02.2019	0.022
19	Diversion of forest land for providing electric connection to Sri. Prasad K, PanayilVeedu, Elavanpalam, Thannimoodu Ex- colony under Kulathupuzha Range	GO(Rt)No.70/2019/F&WLD Dated.20.02.2019	0.008

Sl. No.	Purpose	Order No. and Date	Area (Ha.)
20	Diversion of forest land for electrification of Vattakkarikakom Colony in Kulathupuzha Range of Thiruvananthapuram Division	GO (Rt) No. 318/2018/F&WLD Dated.29.06.2018	0.00735
<b>Total Area</b>			<b>4.34085</b>
<b>Stage I (In principle approval)</b>			
1	Diversion of forest land in Kasaragode for laying gas pipeline – KKB MPL – GAIL (Kochi-Kootanadu-Bangalore-Mangalore Pipeline Phase III) from Kochi to Bangalore and Mangalore crossing 7 districts of Kerala	4-KLB1181/2018- BAN Dated.15.05.2019	0.33
2	Diversion of forest land in Kothamangalam Division in Idukki Dist. For construction of Thommankuthu –Naranganam Road	4-KLB 1002/2014- BAN/65 Dated.13.04.2018	0.996
<b>Total Area</b>			<b>1.326</b>

#### 4.11.1 Supervising activities in respect of issue of license to Wood -

**Based Industries (WBI):-** A State level committee was constituted to deal with the applications on No Objection Certificate (NOC) for WBI. The power to issue license was delegated to Divisional Forest Officers / Wild Life Wardens by the committee as per Kerala Forests (Regulation of Saw mill and other Wood Based Industries) Rules 2012.

State Compensatory Afforestation Fund Management and Planning Authority (CAMPA):- The funds under CAMPA were released from the Adhoc CAMPA based on approved APOs submitted from the States. The APOs are to be approved by the Executive Committee and Steering Committee of State CAMPA. The APOs for years 2016-17, 2017-18 and 2018-19 were pending. The Annual Plan of Operations for 2016-17 & 2017-18 and 2018-19 were approved by State CAMPA Executive Committee held on 06.02.2018 for an estimated cost of Rs.736.40 lakhs and Rs.910 lakhs respectively. The same was approved by the Steering Committee chaired by Chief Secretary Kerala which was held on 07.03.2018 and submitted to Adhoc CAMPA for fund

release. Adhoc CAMPA released a total of Rs.14.61 crores for 2016-17, 2017-18 and 2018-19 APOs. The amount was distributed to sub offices for the implementation of works as per approved APO.

**Table 30 - CAMPA- Target and Achievement up to 2018-19**

<b>Sl. No.</b>	<b>Component/Particulars of the work</b>	<b>Financil a target (Rs. In lakhs)</b>	<b>Expenditue as on 31.03.2019 (Rs. In lakhs)</b>

#### 4.12 VIGILANCE WING

Vigilance wing was formed in Forest Department vide G.O (Ms) No.289/71/Agri, dated 23.12.1971, with the broad intent of enquiring into offence cases of illegal removal of forest produce, evaluation of regeneration areas and complaints of corrupt practices by the forest officials *etc.* A subsequent Government order G.O (Ms) No. 4/75/AD dated 21.01.75 specified the framework and working of the Vigilance wing. As per this Government Order, the objective of Vigilance wing is to combat corruption and misconduct in the Department effectively and to detect and prevent forest offences. Forest Vigilance wing takes up cases under the following categories for inquiry.

- Nepotism of staff
- Causing wrongful loss to Government property or revenue losses or dues.
- Making false claims such as false T.A, house rent, etc.

- Any dishonest or intentionally improper conduct on the part of a Departmental officer or abuse of his powers as such
- Causing avoidable delay in the disposal of government business.
- Misappropriation or misuse of any government property.
- Gross negligence or dereliction of duty.
- Any illegal or improper conduct.
- Abetment of the above offences.
- Illicit transport of forest produces.

**4.12.1 Team for Vigilance and Evaluation Works:-** On 04-02-2016, the post of Principal Chief Conservator of Forests(Vigilance) was created with the PCCF (Vigilance) as the head of Vigilance Wing at Forest Headquarters. At present the Wing is headed by APCCF (V&FI). Two Regional Offices, under two Conservators of Forests are functional at Kottayam and Kozhikode respectively. Eight(8) Flying Squad Divisions headed by Divisional Forest Officers and Eighteen (18) Flying Squad Ranges under Range Forest Officers function under the wing. A Forest Intelligence Cell under an Assistant Conservator of Forests and a Control Room headed by a Range Forest Officer who in turn reports to the Additional Principal Chief Conservator of Forests is functioning at the Headquarters.

**4.12.2 Forest Intelligence Cell:-** Forest Intelligence Cell was established during 2001 under the control of Chief Conservator of Forests (Vigilance). One Range Forest Officer and 10 Beat Forest Officers perform undercover operations for intelligence gathering at various places in the State. Assistant Conservator of Forests, besides his regular duties in the office of Principal Chief Conservator of Forests (V&FI), supervises the Intelligence works of the Cell. The secret information collected by the Forest Intelligence Cell has resulted in detection of serious offences and arrest of accused, especially in wildlife crimes. During 2018-19, an amount of 86,500/- has been disbursed as remuneration to informants.

**4.12.3 Raids conducted and Contrabands seized:-** During the year, a total of 104 raids were conducted to destroy Ganja plants and illicit brewing. Several vehicles were seized in relation to smuggling of forest products.

**4.12.4 Toll Free Telephone Facility:-** A toll free telephone (No. 1800 425 4733) is installed at Forest Headquarters Thiruvananthapuram to receive complaints and information from the public. This is a 24 hour facility. The information/ complaints received in toll free telephone are recorded in the printed format and passed on to the concerned field officers for necessary further action. The Toll Free telephone facility started operating from 2006 onwards. During 2018-19, 253 complaints were registered through this facility. During 2018-19, 583 petitions/irregularities were enquired into and the details are shown below.

**Table 32 - Petitions/Irregularities enquired by Vigilance Wing during 2018-19**

<b>Sl. No.</b>	<b>Particulars</b>	<b>No. of Cases</b>
1	Illicit felling of trees and smuggling of timber and other forest produce	40
2	Encroachments in reserve forest.	41

32	Possession of Unlicensed Gun	0
33	Misappropriation of money	0
34	Smuggling of sand	4
	<b>Total</b>	<b>583</b>

#### **4.13 WILDLIFE WING**

Kerala is having one of the richest bio-diversity in the country due to the presence of the Western Ghats which form a nearly 1600 km long chain of mountains along the western side of Indian Peninsula. The Western Ghats have been declared as one of the Bio-diversity Hot-Spots of the world by IUCN. Southern Western Ghats where the forests of Kerala are situated are supporting more bio-diversity in comparison to the Northern Western Ghats. It is estimated to harbour more than 4600 plant species in Kerala portion of Western Ghats which constitute about 27% of the species available in India. Hence the main function of Wildlife Wing is the conservation of wildlife and bio-diversity in the State.

At present there are 11 Wildlife Divisions under three Wildlife Circles. The wing manages 3213.237 km<sup>2</sup> of forests under its protected area network which includes 6 National Parks, 17 Wildlife Sanctuaries (includes 2 Tiger Reserves, 2 Bird Sanctuaries, 1 Peafowl Sanctuary) and 1 Community Reserve. The details are given below.

**Table 33 - National Parks and Wildlife Sanctuaries**

<b>Sl. No</b>	<b>Name</b>	<b>Area(km<sup>2</sup>)</b>	<b>Year of formation</b>
1	Eravikulam National Park	97.000	1978
2	Periyar National Park	*350.000	1982
3	Silent Valley National Park	**237.520	1984
4	Anamudi Shola National Park	7.500	2003
5	Mathikettan Shola National Park	12.817	2003
6	Pambadum Shola National Park	1.318	2003
7	Periyar Tiger Reserve	925.000	1950
8	Neyyar WLS	128.000	1958
9	Peechi - Vazhani Wildlife Sanctuary	125.000	1958
10	Parambikulam W L S (Tiger Reserve)	643.660	1973
11	Wayanad WLS	344.440	1973
12	Idukki WLS	70.000	1976
13	Peppara WLS	53.000	1983

15	Shenduruney WLS	171.000	1984
16	Chinnar WLS	90.440	1984
17	Chimmony WLS	85.000	1984
18	Aralam WLS	55.000	1984
19	Mangalavanam Bird Sanctuary	0.027	2004
20	Kurinjimala Sanctuary	32.000	2006
21	Choolannur Pea Fowl Sanctuary	3.420	2007
22	Malabar Sanctuary	74.215	2009
23	Kadalundi - Vallikunnu Community Reserve	1.500	2007
24	Kottiyoor Wildlife Sanctuary	30.380	2011
<b>Total</b>		<b>3213.237</b>	

\* Periyar National Park (350 Sq.km) includes Periyar Wildlife Sanctuary

\*\* Includes 148 km<sup>2</sup> of buffer zone added to Bhavani range during 2007

As a result of a paradigm shift witnessed in the National Forest Policy – 1988, a larger emphasis was placed on conservation of all wilderness areas, natural forests, conservation of wildlife and bio-diversity. The constitution of

Wildlife Wing and declaration of more Sanctuaries and National Parks are in line with the realization of this objective.

The Wildlife wing of KFD has taken a leading role in the implementation of projects and works related to habitat improvement, fire protection in wildlife areas, development of water holes at strategic points in the PAs, eco-development works, eco-tourism, extension and education, wildlife census, research, development of infrastructure for protection, maintenance of marshes and swamps, maintenance of water holes, regeneration of degraded ecosystems and fire control form inevitable management practices for sustained and scientific management of Sanctuaries and National Parks. Now a days Wildlife crimes such as illicit trade in Tiger skin, Leopard skin, Elephant tusk, Snake venom, live trade of species like Barn owl, Star tortoise, Sandboa, etc. are increasing which pose new challenge to the Department. Many such high value wildlife crimes have inter-state and international ramifications. In the light of these developments, the Wildlife Crime Control Bureau was constituted by the Government of India at Centre with its Regional Offices. Incidence of such serious wildlife crimes are dealt in co-ordination with agencies like Wildlife Crime Control Bureau and other State Forest Departments.

The Department is also implementing several ecotourism activities in the protected areas in the tourism zones as per approved management plans. The tribal and other forest dependent communities are given employment opportunities in turn for their co-operation in protection activities through specific Eco-tourism programmes, viz; Guided Trekking, Tiger Trail, Protection oriented Border Hiking, Bamboo Rafting, Tented Camping, Tribal Heritage Museum and other participatory activities like participatory fire management, measures to make the protected areas plastic free, eco shops, facilities for selling value added products out of Honey, Wax, MFP, etc., souvenirs from re-cycled plastic, tailoring unit, handicrafts unit, branded mineral water production, etc. The extension and interpretation activities under the Wildlife Wing are vital for enlisting support of the public for conservation of nature and natural resources and to increase the awareness about wildlife and bio-diversity.

Scientific management of Sanctuaries and National Parks require constant

monitoring of health of wild animals in order to check the spread of diseases. Many contagious diseases can cross over to wild animals from domestic cattle straying into the forest areas. As per G.O (Ms)No.12/2017/Forest dated 20.03.2017, one post of Chief Veterinary Officer and 12 posts of Assistant Forest Veterinary Officers were created, which were filled by Officers on deputation from Animal Husbandry Department of the State, increasing the total strength of the Veterinary doctors in the department to 17. Chief Wildlife Warden and the Wildlife Wardens are the Statutory Authorities as per Wild Life (Protection) Act, 1972 and they have the mandate to protect Wildlife in all the forest areas and outside forests as well. The Department pays special attention to the protection of Sacred Groves, Mangroves and Wetlands as well

**4.13.1 Human-Wildlife Conflicts:-**Human-Animal conflict is a widely prevalent scenario, mostly faced by people who inhabit the fringe areas of forests and those living inside the forests. Conflicts may arise due to animals moving into habitations often resulting in serious injury to people, permanent disability of the attack victims, crop damage, cattle loss, damage to habitations and loss of life of humans which in turn may end up in retaliatory killing of the wild animals. In Kerala, the Wild Elephants and Wild Boars dominate the scene and cause wide spread damages. Kerala Forest Department has taken several proactive measures like digging Elephant proof trenches, creating Elephant proof walls and constructing solar powered Electric fences along the forest boundaries, to mitigate this problem. Vide G.O(Rt) No.265/2011/F&WLD dated:17.06.2011, the Government conditionally allowed to shoot the Wild Boars, which were found repeatedly causing damage to crops, on experimental basis, for a period of one year. Subsequently, vide G.O(Rt) No.399/2012/F&WLD dated:04.08.2012, the period was extended for one more year from 23.06.2012. Thereafter the Government vide G.O (Ms) No.31/2013F & WLD dated:19.03.2013, comprehensively amended the conditions and the procedure prescribed in the above order and extended the period for 3 years from 04.08.2012. A total number of 7890 incidents of human-animal conflicts were reported in Kerala during 2018-19.

**Table 34 - Human Wildlife Conflicts (HWC) during 2018-19**

No of incidents	Snake	Elephan	Wild Boar	Gaur	Tiger	Leopard	Others	Total
Human death	123	17	5	0	0	0	0	146
Human injured	541	46	169	1	0	0	8	765
Cattle death	11	29	24	3	125	104	52	348
Crop damage and property loss	0	4063	1230	52	0	0	1286	6631
<b>Total</b>	<b>675</b>	<b>4155</b>	<b>1428</b>	<b>56</b>	<b>125</b>	<b>104</b>	<b>1347</b>	<b>7890</b>

The Wildlife wing has continued with its agenda of proactive actions in mitigating the increasing problem of man-animal conflict in the state along the forest fringes through preventive measures like erecting solar fencing, trenches and walls, imparting awareness programmes to forest fringe dwellers and payment of compensation to the victims of wildlife attack and also for crop damage by wildlife. Details of the major preventive structures constructed to mitigate Human-Wildlife conflict as on 31.03.2019 are as given below.

**Table 35 - Preventive Structures Constructed to Mitigate HWC during 2018-19**

Circle	Solar Fencing (km)	Elephant proof trench (km)	Elephan proof wall (km)	Stone Pitched rench (km)	Bio fence (km)	Kayyala (km)	Others (km)

<b>TOTAL</b>	<b>798.36</b>	<b>147.52</b>	<b>22.68</b>	<b>0.26</b>	<b>0.0</b>	<b>164.46</b>	<b>1.8</b>

#### 4.13.2 Compensation paid to victims of attack by Wild Animals

The Forest Department provides compensation to the victims of attack by wild animals vide 'Kerala Rules for Payment of compensation to victims of wild animals 1980'. During 2018-19, an amount of Rs.11,15,03,154/- was distributed to the victims.

*Table 36 - Victims of Wild Animals Attack during 2018-19*

Item	No. of applicants	Amount paid (Rs)
Human death	130	2,42,66,000
Human Injured	683	2,58,42,862
Cattle Loss	379	88,38,825
Crop damage and property loss	6933	5,25,55,467
<b>Grand Total</b>	<b>8125</b>	<b>11,15,03,154</b>

**4.13.3 Wildlife Population Estimation:-** Wildlife population estimation is periodically conducted in the forest areas of Kerala. Earlier, estimation were conducted in 1993, 2002 and 2011. In addition to the general wildlife population estimation, separate population estimation is conducted for species like Tiger, Nilgiri Tahr and Elephant.

**4.13.2.1 Tiger Population Estimation:-** Monitoring of Tigers, co-predators, their prey and habitats was carried out in the forests of Kerala from 16 to 23 December 2013, as part of the "All India Tiger Estimation", and as per the guidelines issued by the National Tiger Conservation Authority (NTCA). The status report of Tigers in Kerala shows an increase in numbers to 190 from the population of 136 reported in 2014. The report States that the Tiger population and occupancy has shown a substantial increase in the Western Ghats landscape. Comparison of the population of Tigers as per the past estimations is as follows:

*Table 37 - Estimated Tiger population in Kerala*

Year	Population
2010	71
2014	136
2018	190

**4.13.2.2 Nilgiri Tahr Population Estimation:-** The Nilgiri Tahr is an endemic species with limited distribution in the mountain landscapes of Southern Western Ghats in the states of Kerala and Tamil Nadu. Low population status, limited and discontinuous distribution and human intervention in a highly fragile ecosystem brought Nilgiri Tahr in the IUCN ‘Red Data Book’ under the status ‘Endangered’. It is also listed in the Schedule 1 of Wild Life (Protection) Act 1972. The estimated population figures of Nilgiri Tahr in the Eravikulam National Park during last 10 years surveys are given below:

*Table 38 - Estimated Population of Nilgiri Tahr for the Last Ten Years*

2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018
743	747	776	831	789	873	894	900	1420	Estimation not conducted	

**4.13.3 Securing Elephant Corridor:-** Wildlife habitats and their corridors of the major long term steps to tackle Human-Wildlife conflict. Elephants in the wild show a nomadic behaviour and the daily/seasonal migration they make through their Home Ranges are immensely important to the environment. Kerala Forest Department has been taking several steps to ensure that the habitats of elephants are protected. Fragmentation of forests is a major challenge as far as protecting wildlife corridors is concerned. As per the second edition of “Right of Passage (Elephant Corridors of India)” published in 2017, seven corridors were identified in Kerala.

*Table 39 - List of Elephant Corridors*

Sl. No.	Name of the Corridor	Name of Division	Length & Width	Legal Status	Habitations in Corridor	Villages Dependent on Corridors
1	2	3	4	5	6	7
1	Kottiyoor - Periya	Kannur, Wayanad (N)	3	0.1	Not notified	Land acquisition in progress

Sl. No.	Name of the Corridor	Name of Division	Length & Width	Legal Status	Habitations in Corridor	Villages Dependent on Corridors
2	Begur-Brahmagiri	Wayanad WLS with Brahmagiri WLS & Nagarhole TR (Karnataka)	1	0-0.8	Not notified	Land to be acquired
3	Nilambur - Appankappu	Nilambur North & South Divisions	0.4	0.5	Not notified	Land to be acquired
4	Periya-at Pakranthalam	Wayanad (N)	0.5	0.2	Not notified	Land to be acquired
5	Thirunelli-Kudrakote	Wayanad (N)	6	1 to 1.5	Yes	9.63 acres notified as extension to Wayanad Wildlife sanctuary & remaining 8.37 acres as Reserve Forest.
6	Nilambur Kovilakam-New Amarambalam	Nilambur North & South Divisions	1	0.5	Not notified	No acquisition needed
7	Mudumalai - Nilambur via O' Valley (Oucherlony Valley)	Nilambur North Forest Division and Mudumalai Tiger Reserve (TN)	35	0.1	Not notified	No acquisition needed on the Kerala side

**4.13.4 Rescue of Wild Animals :-** During the year 2018-19, many cases of human-animal conflicts were reported and action was taken in a scientific manner. Wild animals that entered into human habitations were caught as per regulations and released in their natural habitat. The Wildlife Wing gives permissions to such operations under strict guidelines.

**4.13.5 Rapid Response Team (RRT) :-** As per G.O (Rt) 275/11/F&WLD dated 22-06-2011, Government established five Rapid Response Teams to drive back the crop raiding Wild Elephants and to manage other problems relating to

human-animal conflict. It envisages at setting up of five numbers of sufficiently equipped Rapid Response Teams in Wayanad (Wildlife), Nilambur, Kannur, Palakkad and Ranni forest divisions. Presently there are 13 such teams who work round the clock to tackle the issues.

**Table 40 - Rapid Response Team**

#### **4.13.6 Relocation of Settlements in Wayanad Wildlife Sanctuary**

The voluntary relocation procedure in Wayanad Wildlife Sanctuary started in the year 2012. The Ministry of Environment and Forests approved the project for Rs.80.00 crores for relocation of 800 eligible families from 14 settlements from the Sanctuary. Government of India commenced financing for the proposal from the year 2011-12 onwards, giving a compensation of Rs.10.00 lakh for each eligible family. About 339 eligible families from nine settlements have already been relocated utilizing a fund of Rs.33.90 crores. The translocation procedure is under progress in one settlement.

**14.13.6 Wildlife Week Celebrations:-** Due to massive flood in the State, Wildlife Week was not celebrated with the customary one week long programmes. Instead, one day Workshop was conducted at Forest Headquarters, Vazhuthacaud. Arrangements were also made for viewing the Workshop deliberations at various Districts and were also live streamed through internet. Similar educative and awareness programmes were conducted at various Districts too.

**4.13.7 Achievements in Wildlife Management:-** Periyar Tiger Reserve was recognized with the National Award in 2016 for the best anti-poaching camps by the National Tiger Conservation Authority (NTCA). In addition, Parambikulam Tiger Reserve was awarded the Best Performance Award in 2016 in terms of Community Participation in Ecotourism by the NTCA.

In the recently released Management Effectiveness Evaluation Report of Tiger Reserve published by NTCA in 2018, Periyar Tiger Reserve and Parambikulam Tiger Reserve were ranked 1<sup>st</sup> and 7<sup>th</sup> respectively.

A programme for rejuvenation of lost millet varieties once popularly cultivated by tribal was formulated and implemented at the Thayannankudy tribal settlement in Chinnar Wildlife Sanctuary. It was successful in rejuvenating 26 different varieties of lost millets and the programme was recognized nationally with the 'Plant Genome Savior Award for Community-2018'.

#### **4.14 WORKING PLAN & RESEARCH (WP& R) WING**

Working Plan is the main instrument of Forest Management and is defined as a written scheme of management aiming at continuity of policy (normally for a period of 10 years) controlling the treatment of forest. This wing is having seven Working Plan Divisions. They are responsible for preparing Working Plans for 25 territorial Divisions. In addition, Forest Resource Survey Cell (FRSC) at Thrissur is responsible for assessing the availability of various forest resources such as Bamboos, Reeds, Canes, etc. There are two Research Divisions one at Thrissur and the other at Thiruvananthapuram that carry out various applied Silvicultural Research and maintenance of Permanent Preservation Plots. The two Research Divisions are acting as an interface between various research institutions like TBGRI, KFRI, IFGTB, etc. in undertaking multi location trials and to test the efficacy of the research findings in the local field situations. Seed center at KFRI, Peechi is being jointly managed by DCF, Research North and KFRI.

The WP & R Wing has laid, over a period of last two to three decades, a number of Permanent Plots, long term Observation Plots, Species introduction trials and miscellaneous trials regarding various aspects of Silvicultural Management. The individual plot wise /species wise data analyzed statistically helps to decipher the trends in the species experiment and will be of immense technical and scientific help for the forestry management in Kerala.

**4.14.1 Growing Stock Inventory:-** The estimation of growing stock with data on species wise individual tree, stand or forest type is conducted. The form and composition of tree crop according to age, quality, extent, etc. and its distribution, statistics of growth and yield through Stump and Stem

Analysis as well as from other available record are estimated. Biomass Carbon Stock estimation, status of plantations etc. also form part of the growing stock inventory.

**4.14.2 Vegetation Survey:-** It include enumeration of species composition such as dominant and co-dominant trees species, Bamboos, Rattans, Shrubs, Herbs, Climbers, Lichens, Algae, Fungi, Epiphytes and Parasites for their density, frequency, dominance and abundance values.

#### **4.14.3 Achievements and activities during 2018-19**

**Research North, Thrissur:** - The division protected its assets from forest fires by taking measures through creation of 29.525 km of fire line which also provided employment by generation of 1199 man days of work. The division maintained 18 Seed Production Areas (SPAs) in various Ranges.

**Research South, Thiruvananthapuram:** - Permanent Preservation Plots, Seed production areas of teak, Sandal, Lagerstroemia, Teak seed orchards, Moist deciduous experimental plots etc. are being maintained and protected. Quality, viable seeds were collected from different Seed Production Areas and sent to Seed Centre, Peechi for evaluation, storage and sale.

#### **4.14.4 Projects completed**

**Research North, Thrissur :-** A comparative study on Root trainer and Stumps was conducted in four plots in Nilambur, Palakkad and Mananthavady units. Measurements were taken and recorded.

**Working Plan Office, Achenkovil:-** The revision exercise for the Working Plan of Kottayam Forest Division for the period from 2017-18 to 2026-27 is completed and approved by MoEF, Government of India.

**Status of Working Plan :-** Out of 25 Territorial Forest Divisions, 19 Divisions are having current Working Plans approved by Government of India.

**Table 41 - Status of Working Plans as on 31.03.2019**

## CHAPTER 5 FINANCE

### 5.1. REVENUE AND EXPENDITURE

The Forest Revenue by way of sale of timber and other forest produce amounting to 287.20 crores was realised during the year 2018-19 against the target of 397.67 crores. The total expenditure incurred during the year was 569.88 crores. The comparative position of revenue and expenditure for the year 2018- 19 with 2017-18 is given in Table below

*Table 43 - Comparative position of Revenue and Expenditure  
2017-18 and 2018-19*

Year	Revenue (in crores)	Expenditure ( in crores)		
		Plan	Non Plan	Total
2018-19	287.20	171.69	398.20	569.89
2017-18	245.42	188.03	399.12	587.15

**5.1.1 Revenue :-**The Forest Department contributes substantially to the non- tax revenue of the State. The revenue from forestry sector by way of sale of timber and other forest produce comes to Rs.287.20 crores during 2018-19. Major portion of the forest revenue was from timber. During 2018-19, Rs.244.38 crores was collected towards revenue from the sale of timber alone which accounted for 85.09% of the total forest revenue.

**Table 44 - Revenue from Timber and other Forest Produce**

<b>Sl. No.</b>	<b>Head of Account</b>	<b>(Rs. in lakhs)</b>
1	2	3
<b>0406-01-101 Sale of Timber and other Forest produces.</b>		
1	99 Timber	24438.24
2	98 Firewood and Charcoal	138.27
3	97 Receipts from sale of forest produce coming under the Kerala private forest (Vesting and Assignment) Act.	31.27
4	96 Receipts from forest development tax	1397.74
5	95 Receipts under Kerala Forest Produce	32.52
6	94 Other Items	191.01
<b>Total (101)</b>		<b>26229.05</b>
<b>0406-01-800 Other Receipts</b>		
1	99 Interests on Arrear of Forest Revenue	100.15
2	98 Receipts from Wildlife department	230.17
3	97 Scheme for Provision of House Sites and houses to Landless Worker in Rural Area - Free Supply of Timber	0.00
4	96 Revenue Realised from the KFDC on the sale proceeds of residual growth	0.81
5	95 Other Items	2057.85
6	94 Livestock	0.03
7	93 Integrated Wasteland Development Programme	0.00
8	91 Receipts on account of Lapsed and Confiscated Deposits	0.00
9	90 Forest Land Lease rent	105.16
<b>Total (800)</b>		<b>2494.17</b>
<b>Grand Total</b>		<b>28723.22</b>
	Refunds (0406-01-900-00)	2.38
<b>Net Revenue</b>		<b>28720.84</b>

### 5.1.1.1 Forest Development Tax (FDT)

FDT is levied @5% on the sale proceeds of forest produce. After deducting the cost of collection of tax, balance amount was placed as additional budgetary source. During the year 2018- 19 an amount of Rs.1397.74 lakhs was collected.

### Outstanding on Account of Forest Revenue

An amount of Rs.407.12 crores is outstanding on account of forest revenue at the end of the year 2018-19.

**5.1.2 Expenditure:-** The total expenditure incurred during the year was Rs.569.88 crores.

**5.1.2.1 Outlay and Expenditure:-**The outlay and expenditure during 2017-18 and 2018-19 are given below

*Table 45 - Outlay and Expenditure (Rs. in crores)*

Schemes	2017-18		2018-19	
	Outlay	Expenditure	Outlay	Expenditure
State sector	238.40	163.25	205.75	121.41
Central sector	68.85	24.33	100.19	50.28
EAP	0.45	0.45	0.00	0.00
<b>Total (Plan)</b>	<b>307.70</b>	<b>188.03</b>	<b>305.94</b>	<b>171.69</b>
Non Plan	435.59	399.12	418.85	398.20
<b>Grand Total</b>	<b>743.29</b>	<b>587.15</b>	<b>724.79</b>	<b>569.89</b>

The Plan expenditure under forestry sector during 2018-19 was Rs.171.69 crores, which is 56.12% of the total plan outlay. Out of this, state sector accounted an expenditure of Rs.121.41 crores and the expenditure for central sector was Rs.50.28 crores.

## Developments under 13<sup>th</sup> Five Year Plan

The year 2018-19 was the second year of the 13<sup>th</sup> Five Year Plan. The target and achievement for the period is given below

**Table 46 - Target and Achievement during XIII Five Year Plan  
(Rs. in Crores)**

Year	Target	Achievement
2017-18	307.70	188.03
2018-19	305.94	171.69

### 5.1.1.2 Outlay and Expenditure under Plan Schemes

During 2018-19, an expenditure of Rs. 17168.573 lakhs was incurred against the budget provision of Rs. 30593.948 lakhs. Details of budget head wise allotment and expenditure given below.

**Table 47 - Achievements on Plan Schemes (Financial) during 2018-19**

#### **5.1.2.4 Funds received directly from Government of India:-**

The scheme-wise funds received directly from Government of India and the expenditure incurred during 2018-19 are given below.

*Table 49 - Expenditure on funds received directly from the Govt. of India*

Scheme	Amount Released during 2018-19 (Rs. In lakhs)	Expenditure Incurred (Rs. in Lakhs)
CAMPA	2261.00	1158.72

*Note: APO for the year 2016-17 to 2018-19 were approved by State CAMPA Steering Committee meeting held on 06.02.2018 and was send to Adhoc-CAMPA for release of funds. Accordingly, an amount of Rs. 22.61 crore for the Financial Year 2016-17&2018-19 was released during the year 2018-19.*

## 5.2 WORKS DONE FOR OTHER DEPARTMENTS/AGENCY

The Expenditure incurred for the works done during the year for other Government Departments, autonomous bodies, local bodies or agencies are given in table 50

*Table 50 - Work done for other Government Departments and Agencies*

<b>Sl. No.</b>	<b>Source</b>	<b>Beneficiary Circle/ Division</b>	<b>Purpose</b>	<b>Expenditure (Rs. In lakhs)</b>
1	Petronet LNG Ltd	Social Forestry Eranakulam	Mangrove Afforestation	2.18
2	Petronet Ltd	Social Forestry Palakkad	Fixing Bamboo Tree guards	4.55

## CHAPTER 6

### INFRASTRUCTURE

Better infrastructure facilities are necessary for the effective protection and conservation of Forests as well as sustainable utilization of Forest resources. During the year 2018-19, an expenditure of Rs. 517.505 lakhs was incurred on construction of new buildings and repairs of existing buildings. The construction of new roads and improvement and maintenance of old ones were undertaken at an estimated cost of Rs. 288.370 lakhs during the year. The cost of works including infrastructure facilities under NABARD -RIDF scheme was Rs. 797.286 lakhs.

#### 6.1 ROADS

The details of various types of roads maintained by the Forest Department as on 31.03.2019 are shown below.

*Table 51 - Roads that are maintained as on 31.03.2019*

S.No.	Type of Road	Length (km)
1	Cement Concrete	38.583
2	Black Topped	475.072
3	Metalled	884.563
4	Earthen Road (Un-Surfaced)	3447.448
<b>Total</b>		<b>4845.666</b>

Of the **4845.666 km**, the length of Motorable Road is 4145.470 km and that of non- Motorable Road is 700.196 km.

## 6.2 BUILDINGS

A total of 3260 numbers of buildings had been maintained in the Forest Department as on 31.03.2019. The details are given in Table

*Table 52 - Buildings as on 31.03.2019*

<b>Sl. No.</b>	<b>Type of building</b>	<b>No.</b>

## **CHAPTER 7**

### **GENERAL**

#### **7.1 DEPARTMENTAL PUBLICATIONS**

During the year 2018-19, the Forest Information Bureau published six issues of the magazine 'Aranyam'. The FIB also published a booklet highlighting the notable achievements of the Government, General Dairy, Forest Guide 2019, a book on 'Ocean Species', a guide on 'Forest Produce and its GST' and Forest Statistics-2018.

#### **7.2 ADALATS**

During the year 2018-19, Adalats were held at various offices to attend to the pending issues and clear the files relating to the subjects such as General issues, Forest Offence cases, completion reports, pending Pension cases and Local Audit Report (LAR) etc.

#### **7.3 SEMINARS, CONFERENCES AND WORKSHOPS**

In Southern Circle Kollam, various awareness campaigns to manage forest fires and workshop for the preparation of fire management plan were conducted.

In High Range Circle, Kottayam, rallies, Seminar and awareness campaigns related to Forest Fire Protection were conducted. Workshop on bird watching and bird survey was conducted for the Protective Staff and Watchers. A study regarding, "Ways to reduce human - wildlife conflict through change in land use pattern." was conducted at Anakulam Range.

In Central Circle, Trissur Nature Camps, Medical Camps, Anti-plastic campaign, Awareness classes on fire protection and Human-Wildlife conflict were conducted. In Eastern Circle, Palakkad Nature Camps was conducted for public and students, Conference on fire crisis management, Training on GEM and a Symposium on Asian Elephant were conducted.

In Northern Circle, Kannur, Nature Camps, fire awareness class,

Medical Camps, a seminar on bio-diversity conservation and an awareness camp on snake rescue were conducted. In FDPT, Kottayam, conducted fire awareness campaigns, media camp, Environment day celebration, medical camp and awareness classes as part of Wildlife week celebration were conducted.

In Eastern Circle, Palakkad Nature Camps was conducted for public and students, Conference on fire crisis management, Training on GEM and a Symposium on Asian Elephant were conducted.

In Social Forestry Circle, Kollam, Wildlife week celebrations and fire awareness campaigns were conducted in all the Social Forestry Divisions. Felicitated 'Maramuthassi', who was awarded with 'Vanamithra' award. Awareness programme was conducted on the conservation of mangroves for the students of SKD, UP School, Arattupuzha and for the local people of Thrikkunnappuzha Panchayaths. Incentives were distributed to the owners of selected Sacred Groves for encouraging their conservation. Forestry club, Turtle Conservation, Kuruvikkoru koodu, Citizen's Conservation programme and Bird conservation were the other programs which were conducted during the reporting period.

In Social Forestry Circle, Kozhikode, Nature camps, Seminars, Nature awareness classes, Environmental Day celebrations, workshops and film shows were conducted. In Social Forestry Circle, Eranakulam, Nature Camps, Fire Awareness classes, World Environment Day celebration, Wildlife week celebrations, seminars, etc., were conducted.

In Wildlife Circle, Palakkad, fire awareness rally was conducted at Parambikulam Tiger reserve. As a part of the Global Tiger Day (29th July) celebration, awareness programmes, Rally, Quiz Competition etc. were conducted. Other awareness programmes such as Anti-drug campaign and similar programs were organised on the eve of important days like World Environment Day, World Tourism Day, World Wildlife Day, World Forest Day, World Water Day, and Wildlife Week.

#### 7.4 FAIRS AND EXHIBITIONS

During 2018-19, FDA Chalakudy participated in Trissur Pooram exhibition, other exhibitions held on the eve of the second anniversary of the Government, Bamboo fest, Janakeeyam fest at Eranakulam and school fest at Alappuzha. FDA Vazhachal participated in Bamboo fest at Eranakulam, Njattuvela fest and Thalikulam fest. FDA Malayattoor participated in Gadhika Fest at Kannur and Attingal, Sale-cum exhibition of NTFPs at Valliyoorkavu, in connection with the Festival at Valliyoorkavu temple.

Under Social Forestry Circle, Kollam, Fairs and Exhibitions were conducted by Social forestry Division, Kottayam, Pathanamthitta, Alapuzha.

#### 7.5 IMPLEMENTATION OF THE RIGHT TO INFORMATION ACT, 2005 (RTI):-

The Right to Information Act, 2005 is being effectively implemented in the Department. As on 31.03.2019, out of the 2918 applications received, all were disposed. The details are furnished below.

The list of State Public Information Officers and Appellate Authorities of the Department is given in *Annexure 3*.

**7.6 THE SCHEDULED TRIBES AND OTHER TRADITIONAL FOREST DWELLERS (RECOGNITION OF FOREST RIGHTS) ACT, 2006**

The Forest Rights Act, 2006 envisages recognition of rights of forest dependent communities. The Act recognise the rights of the forest dwelling Scheduled Tribes and the responsibility and authority for sustainable use, conservation of biodiversity and maintenance of ecological balance of dependent communities in terms of individual and community rights.

The Scheduled Tribes Development Department is the nodal agency in the Government of Kerala, entrusted with the task of implementation of the Forest Rights Act. Kerala Government had constituted a working group on 25-02-2008 for the constitution of various committees under the Act and for working out the modalities of implementation of the Act. The working group is also involved in assigning responsibilities to various Departments especially Forest and Wildlife, Revenue, Local Self Government and SC/ST Departments. The Forest Rights Act implementation process in the State is done through 511 Grama Sabhas, 14 Sub Divisional Level Committees and 12 District Level Committees.

- **Sub Division Level Committee**

RDO / Sub-Collector	-	Chairman
Range Forest Officer	-	Member
Tribal Extension Officer	-	Member

- **Division Level Committee(DLC)**

District Collector	-	Chairman
Divisional Forest Officer	-	Member
Range Forest Officer/ITDP/TDO	-	Member

- **State Level Committee(SLC)**

Chief Secretary	-	Chairman
Secretary, SCSTDD	-	Member
Secretary, F&WLD	-	Member
Secretary, LSGD	-	Member
Secretary, Revenue Dept	-	Member
Principal CCF	-	Member
Director, STDD	-	Member

**Individual Right:-** As described in the Act, right to hold and live in the forest land under an individual or common occupation for habitation or for self-cultivation for livelihood by a member or members of forest dwelling Scheduled Tribes or other Traditional forest dwellers. As on 31.03.2019, out of 26458 eligible individual claims passed by the District Level Committee (DLC), 25664 titles were issued.

**Community Right:-** It includes the right of ownership, access to collect; use and dispose of minor forest produce which has been traditionally collected within or outside village boundaries. As on 31.03.2019, out of 358 eligible claims passed by the District Level Committees, (DLC), 174 titles were issued.

**Development Right:-** Right to convert forest land up to a maximum of 1 ha for the purpose of facilitating schools, hospitals, water supply, etc. (such 13 developmental activities) managed by Government, provided felling of trees in the land should not exceed 75 trees per hectare. As on 31.03.2019, out of 620 claims have been passed by the Forest Department, 467 Development Rights have been issued for an area of 187 acres.

## **7.7 INTERNAL CONTROL SYSTEM**

As per the Public Accounts Committee's (PAC) recommendations in its 57<sup>th</sup> report (2001-2004), Internal Audits were conducted in offices of the Forest Department every year just before Accountant General's audit, in order to reduce the number of observations/audit paras. Since Internal Audit (IA) units were found not sufficient to meet the requirement, action has been taken to constitute one more unit of IA Wing. There are 450 paras pending in the department, as per the list of pending audit observations of the Accountant General during the year 2018-19. Four Apex committee meetings were conducted.

## **7.8 GRIEVANCE REDRESSAL CELL**

A Grievance Redressal Cell is functioning in the Department for dealing with the complaints received from the Public and Staff. Consequent to the directions of the Hon'ble Supreme Court, an Internal Complaint Committee in connection with 'Sexual Harassment against Women at work places' has been formed at Headquarters vide Order No. E6 28827/2004 dated: 26.02.2008 of the Principal Chief Conservator of Forests. This Committee has the right to receive complaints from employees of the Department regarding sexual harassment at work place, conduct enquiry on the complaints received, to take necessary decision on the complaints received and to submit recommendations to the Head of the Department. The details of the committee are as follows

**Table 64 - Details of Grievance Redressal Cell as on 30.03.2019**

<b>Sl.No.</b>	<b>Name and Designation</b>	<b>Position in the committee</b>
1	Smt. N. Maya, IFS Deputy Conservator of Forests O/o Additional Principal Chief Conservator of Forests (Administration), Forest Head Quarters, Thiruvananthapuram	Chairperson
2	Adv. Rakhi Ravikumar Deputy Mayor and Councillor, Vazhuthacaud Ward Municipal Corporation of Thiruvananthapuram	Member
3	Sri. K. N. Syam Mohan Lal Deputy Conservator of Forests (Administration), Forest Head Quarters, Thiruvananthapuram	Member
4	Smt. Susan Gopi Senior Administrative Officer O/o APCCF(Administration), Forest Head Quarters, Thiruvananthapuram	Member
5	Smt. Sujaya Senior Clerk O/o CF(ABP) Forest Head Quarters, Thiruvananthapuram	Member
6	Smt. Swathi Suresh, Senior Clerk, O/o APCCF (Administration), Forest Head Quarters, Thiruvananthapuram	Member

### **7.9 IMPLEMENTATION OF OFFICIAL LANGUAGE ACT**

Malayalam has been declared as the official language of the state of Kerala, vide G.O. No. 7223/OL3/85/P and ARD, dated: 1.09.1985. However, the same could not be implemented completely within the KFD. Efforts have been made to use Malayalam as official language fully and all Staff of the Department are been working earnestly in this direction. All official communications are being carried out in Malayalam to the maximum extent. Instructions regarding the preparation of Orders pertaining to transfer/promotion, Proceedings,

Circular, etc. in Malayalam are being implemented. Direction has been given to all employees to prepare their leave applications in Malayalam. All public notices are invariably prepared in Malayalam and name boards on all Department vehicles are being written in Malayalam. It has been decided to use the open source software viz; 'Kaveri' in all offices of the Forest Department. Senior Administrative Officer of the Department has been entrusted with the role of Nodal Officer for supervising the progress in this regard. A translation cell has been constituted vide G.O (Ms) No.19/83/P and ARD dated: 16.07.2003, to translate the Codes, Manuals, Rules, forms, etc. of the Department.

#### **7.10 COMPUTERISATION**

Computerisation was successfully achieved up to the Range/Depot level in the department. The Department has supplied necessary Computers and accessories up to Range/Depot level Offices. The Department has hosted a website ([www.forest.kerala.gov.in](http://www.forest.kerala.gov.in)) which contains information about KFD, serving as a link between the Department and the public.

#### **7.11 NATIONAL FOREST SPORTS MEET 2018-19**

24<sup>th</sup> All India Forest Sports and Games Meet was conducted during January 2019 at Raipur, Chhattisgarh. The all-round performance of the Kerala contingent in the sports meet was very satisfactory. The total expenditure for the sports meet was Rs.16.05 lakhs incurred from the Budget Head 2406-01-003-97HRD. Kerala bagged 4<sup>th</sup> place with 26 Gold, 20 Silver and 21 Bronze Medals and overall score of 240 points in the 24<sup>th</sup> All India Forest Sports and Games Meet.

## **7.12 ACHIEVEMENTS OF THE KERALA FOREST DEPARTMENT DURING 2018-19**

### **7.12.1 E-Governance Award**

Kerala State Forest Department bagged the second position in the State e-Governance Award

*Figure 1 - Head of Forest Force received e-Governance award from Honorable Chief Minister*

### **7.12.2 Online Booking for Eco-tourism Center**

Online Ticket Booking facility was started for the visitors visiting various Ecotourism destinations in the State

Ecotourism website launch by Tourism Minister Kadakampally Surendren at minister's Chamber

### 7.12.3 E-Database for Captive Elephants

A Comprehensive information system of all registered Captive Elephants has been prepared along with their DNA profile. With this step, Kerala has become the first State in the country having a detailed database of all the Captive Elephants in the State. The details of all 519 Captive Elephants are available in this data base. The DNA profiling was done with the technical support of Rajiv Gandhi center for Biotechnology.

### 7.12.4 State Butterfly

'Budha *Mayoori*' has been proclaimed as the official Butterfly of Kerala State. Kerala is the fourth State in *India*, which has officially declared the State Butterfly.

### **7.12.5 Elephant Rehabilitation Centre, Kotoor**

Foundation stone was laid for the country's first International Elephant Rehabilitation Centre at Kotoor, Thiruvananthapuram. The cost of this project is Rs.105 crores and it is expected to be completed by October 2021. After the completion, the rehabilitation can house up to 50 Elephants.

### **7.12.6 Forest Museum at Kulathupuzha**

Work of Forest Museum at Kulathupuzha under Thiruvananthapuram Division is in progress. 80% of the work has been completed. The proposed museum has a vision to develop into a world-class Forest Museum to provide education, training and entertainment to all sections of the society.

### **7.12.7 ISO Certificate to Anchal Forest Range Office**

Anchal Forest Range Office of Pualur Forest Division received ISO certificate for outstanding administration and infrastructure. It is the first time that a Forest Range Office under Kerala Forest Department has obtained such a certificate.

### **7.12.8 Project Green Grass**

Implementing successfully the Project Green Grass, a scheme introduced by the State as part of the recent floods occurred in the State to keep the forest areas clean and waste free.

### 7.12.9 Floods in Kerala during 2018

During the year 2018, from August 9<sup>th</sup> onwards, severe floods affected the State of Kerala, due to unusually high rainfall during the monsoon season. It was the worst of the floods that hit Kerala in nearly a century. During the flood, 483 people were reported dead, 14 were reported missing and many in thousands were injured. About a million people were evacuated, mainly from central Kerala. All 14 Districts of the State were placed under Red Alert. According to the Kerala Government, one-sixth of the total population of Kerala had been directly affected by the floods and related incidents. The Government of India had declared it as a Level 3 Calamity, or "Calamity of severe nature". It is the worst floods to have inundated Kerala after the great floods of 1099 ME [that took place in 1924 AD]. About 107.058 Crores of Damages and Loss were sustained by the department on account of recent heavy rains and floods.

The losses sustained by the Kerala Forest Department during the floods is enclosed as below.

**Table 65- Damages and Loss Sustained on account of rain and floods -2018**

Sl. No	Details of Damage	Territorial Circle					Wildlife Circle			Social Forestry Circle			Total (in Crores)
		SC	HRC	CC	EC	NC	ABP	FD (PT)	WL, PKD	KLM	EKM	KKD

	<b>Total</b>	<b>10</b>	<b>18</b>	<b>15</b>	<b>15</b>	<b>10.5</b>	<b>9.19</b>	<b>13.47</b>	<b>14.08</b>	<b>0.33</b>	<b>1.39</b>	<b>0.1</b>	<b>107.058</b>

Kerala Forest Department had actively participated in the Rescue and Relief operations in various means as mentioned below:

- Nearly, 2600 Forest officials involved in the rescue operations and about 8850 personals were rescued.
- Constituted field teams in Forest Division level which helped to transport people to rescue camps, to provide food /drinkingwater/ medicines etc. to the trapped/ affected/ displaced families
- 39 flood relief camps were organized by the Department across the State and assisted 125 flood relief camps operated by other agencies/ Departments.
- 8 Control Rooms were operated by the Department during the period to co- ordinate rescue operations.
- The Department provided 803 Vehicles, Boats, Kuttavanchis, Bamboo rafts etc. and Ascalights.
- Supplied basic amenities like food, drinking water, medicines, textile to 131 affected tribal Settlements.

- Temporary maintenance of roads/bridges were done by the Department and provided temporary transportation facilities for the tribals.
- Medical camps were organized in all most all Settlements and fringe areas in collaboration with Health Department.
- In-addition to the above, an amount of Rs. 151.50 lakhs has been given to the Chief Ministers Disaster Flood Relief Fund by the SFDA.

**Considering the endeavor put by Kerala Forest Department related to the rescue and relief operations, State Government appreciated the Department with 'BIG SALUTE'.**
