

SECTION BOUNDARY

The PA consists of one Range, Peppara and has the following sections, i.e. Thodayar Section and Athirumala Section.

Athirumala Section

North: From Chemmungi Mottai, the boundary runs along the Karamanayar river till it reaches the Peppara reservoir.

North-East: From **Chemmungi Mottai**, the boundary runs along the interstate boundary of Kerala and Tamil Nadu passing Arumugham Kunnu (1457 M) till it reaches the Athirumala Peak (1594 M). From Athirumala Peak, the boundary runs along the waterspread boundary between Neyyar Wildlife Sanctuary and Karamana river basin till it reaches Kathirumudi Malai passing along the following peaks – Nachadikunnu (988 M), Kannan Kunnu, Karimala Kari (636 M).

South-East: From Kathirumudi, the boundary follows the waterspread area of Peppara reservoir along the Agasthyavanam Biological Park till it **reaches** the Peppara Dam.
