### **Explanatory Note**

In notification No.92368/FM3/76/AD dated 31-01-1978 issued under sub section (1) of section 35 of the Wildlife (Protection) Act, 1972 (Central Act 53 of 1972) and published as S.R.O. No.166/78 in Kerala Gazette No.9 dated 28-02-1978, Government have declared their intention to constitute the area, situation and the limits of which are specified in the Schedule to that notification as a National Park to be known as the Eravikulam National Park. The necessity of declaring the Eravikulam Rajamally area as a National Park was pointed out by the Government of India based on the recommendation of the Executive Committee of the Indian Board for Wildlife. The area mentioned in the schedule to the notification dated 31-01-1978 is of adequate ecological, faunal, floral, geomorphological and zoological significance. In consideration of the above aspects, and as Government have already made clear their intention to declare the said area as a National Park they deem it necessary to issue the notification under sub section 4 (b) of section 35 of the Wildlife (Protection) Act, 1972 and this notification is intended to achieve the above object.
