

## **Section Boundary**

### **1. Vazhani Section**

Starting from the gate in the western side of Vazhani earth dam, the boundary runs more or less northern side and reaches to Kakkinikad tribal colony or settlement, then runs to eastern side and run along with the boundary Vazhani station of machad range where the section boundary shares the boundary of Vazhani station and reaches at Karineeli then leads to Kathiyathani. Then, here it shares boundary with Akamala station of Machad range and reaches Thunchtupacha, Pathayampootti and reaches Parutha from this point the section boundary shares boundary of Elanad station and reaches Kallala. From Kallala sharing the boundary of Vazhani section of Machad range reaches Munippara then Vattachattam, Nirannapara, Mekkulammukku then Gharbhakundu from there it runs and reaches out post of Vazhani section and then finally reaches the gate situated on the western side of earth dam.
