

NOTIFICATION.

With the sanction of His Highness the Maharaja of Travancore, it is hereby notified under Section 18 of the Forest Act II of 1938 as amended by Acts IV of 1971, IX of 1985, IV of 1989, VIII of 1997 and XII of 1112 that the Tract specified in the subjoined schedule shall be deemed to be a Reserved Forest with effect from the date of publication of this notification in the Government Gazette.

Cairns have been erected along the boundaries of the Reserve and a correct description of the boundaries with reference to cairns is hereto appended for the information of the public.

Hazur Cutcherry,
Trivandrum, 31st July 1945.

C. P. RAMASWAMI AYYAR,
Dewan,

Name of Reserve	Rajampara Reserve.
Pakuthy	Ranni 2nd Bit.
Taluk	Pathanamthitta.
Revenue Division	Quilon.
Area	4 sq. miles 2.0 acres.

Situation.—The Reserve is situated to the east of Pampa river and to the west of Konni Reserve lying contiguous to it and comprises the whole of survey numbers 818/1B; 819/1B; 820/1, 821/1 and 822/1 and major portions of survey numbers 804/1 and 811/1 of Ranni Pakuthy 2nd bit and a portion of unsurveyed area of the same Pakuthy.

BOUNDARY DESCRIPTION.

North.—Starting from cairn No. 1 at a theodolite station at the northernmost corner of the Reserve situated on the limit between survey numbers 780/1 and 804/1 of Ranni Pakuthy and on the right bank of the Pampa river near the Perunthenaruvi water fall about 4 1/2 chains to the east of the trijunction of survey numbers 780/1, 802/2 and 804/1 of Ranni Pakuthy the boundary runs crossing the river nearly south but slightly west along the ridge of Perunthenaruvi hill for about 22 chains passing cairn Nos. 2 and 3 to cairn No. 4; thence nearly south south-east for about 11 3/4 chains passing cairn No. 5 to cairn No. 6; thence nearly south-east along the same ridge for about 27 3/4 chains passing cairn Nos. 7 to 11 to cairn No. 12; thence nearly south south-east along the same ridge for about 13 chains passing cairn Nos. 13 to 15 to cairn No. 16 thence leaving the ridge nearly east for about 12 1/4 chains passing cairn Nos. 16A, 17 and 17A to cairn No. 18; thence nearly east south-east for about 46 1/4 chains passing cairn Nos. 18A, 19 to 22, 22A, 22B and 22 C to cairn No. 23 at the 6th theodolite station from the trijunction of survey numbers 804/1, 811/1 and unsurveyed hills and situated on the eastern limit of survey number 804/1 on the Chakkuthara Hills (the boundary from cairn No. 1 to cairn No. 23 passes through survey number 804/1 of Ranni Pakuthy) thence nearly south for about 17 1/4 chains along the eastern limit of survey number 804/1 passing cairn Nos. 24 to 28 to cairn No. 29 at the theodolite station at the above mentioned trijunction; thence nearly south-east along the limits between survey number 811/1 and the unsurveyed hills for about 86 3/4 chains passing cairn Nos. 30 to 61 to cairn No. 62 at a theodolite station; thence nearly south south-west along the same limits for about 7 chains passing cairn Nos. 63 to 67 to cairn No. 68 at a theodolite station; thence nearly south-east along the same limits for about 27 3/4 chains passing cairn Nos. 69 to 80 to cairn No. 81 at a theodolite station; thence nearly south-west along the same limits for about 6 1/4 chains passing cairn Nos. 82 and 83 to cairn No. 84 at a theodolite station; thence nearly south for about 5 chains along the same limits passing cairn No. 85 to cairn No. 86 at a theodolite station; thence nearly south-east along the same limits for about 15 chains passing cairn Nos. 87 to 90 to cairn No. 91 at 20th theodolite station from the trijunction of survey numbers 827/1, 811/1 and hill unsurveyed; thence leaving the above limits nearly east for about 63/4 chains passing cairn No. 91A to cairn No. 9; thence nearly south-east for about 26 1/4 chains passing cairn Nos. 93 to 96 to cairn No. 97; thence nearly east but slightly

north for about $14\frac{1}{2}$ chains passing cairn Nos. 98 to 100 to cairn No. 101; thence nearly north-east for about $14\frac{3}{4}$ chains passing cairn No. 102 to 107 to cairn No. 108; thence nearly east but slightly south for about $21\frac{3}{4}$ chains passing cairn Nos. 109 to 113 to cairn No. 114; thence nearly east north-east for about $5\frac{3}{4}$ chains passing cairn No. 115 to cairn No. 116 at the top of the Rajampara rock.

East.—Thence nearly south for about $6\frac{1}{4}$ chains passing cairn No. 117 to cairn No. 118, thence nearly south-west for about $46\frac{1}{4}$ chains passing cairn Nos. 119 to 135 to cairn No. 136, thence nearly south-east for about $9\frac{3}{4}$ chains passing cairn No. 137 to cairn No. 138, thence nearly south south-east for about 15 chains passing cairn No. 139 to cairn No. 140, thence nearly south-east for about $10\frac{1}{2}$ chains passing cairn Nos. 140 to 143 to cairn No. 145, thence nearly east north-east for about 3 chains to cairn No. 146, thence nearly east but slightly south for about $2\frac{1}{2}$ chains to cairn No. 147, thence nearly south-east for about $12\frac{1}{4}$ chains passing cairn Nos. 148 to 150 to cairn No. 151, thence nearly south south-east for about $2\frac{3}{4}$ chains to cairn No. 152, thence nearly east for about $4\frac{1}{2}$ chains passing cairn No. 153 to cairn No. 154, thence nearly south-east for about $21\frac{1}{2}$ chains passing cairn No. 155 to 161 to cairn No. 162, thence nearly south south-east for about $19\frac{3}{4}$ chains passing cairn Nos. 163 to 168 to cairn No. 169, thence nearly south for about $11\frac{3}{4}$ chains passing cairn Nos. 170 to 173 to cairn No. 174, thence nearly south south-west for about $13\frac{1}{4}$ chains passing cairn Nos. 175 to 179 to cairn No. 180.

South.—Thence nearly west for about $8\frac{1}{2}$ chains passing cairn Nos. 181 and 182 to cairn No. 183 at a theodolite station on the limit between survey number 837/1 and hills unsurveyed (the boundary from cairn No. 91 to 183 passes through the unsurveyed hills of Ranni Pakuthy), thence nearly north-west along the above mentioned limits for about $4\frac{1}{4}$ chains to cairn No. 184 at a theodolite station at the trijunction of survey numbers 827/1, 837/1 and hills unsurveyed, thence nearly north north-west along the limits between survey number 827/1 and hills unsurveyed for about $5\frac{3}{4}$ chains passing cairn No. 185 to cairn No. 186 at a theodolite station, thence nearly north-east along the same limits for about $4\frac{3}{4}$ chains to cairn No. 187 at a theodolite station, thence nearly north north-east along the same limits for about $3\frac{3}{4}$ chains to cairn No. 188 at a theodolite station, thence nearly north-east along the same limits for about $2\frac{1}{4}$ chains to cairn No. 189 at a theodolite station, thence nearly north north-east along the same limits for about $4\frac{1}{4}$ chains to cairn No. 190 at a theodolite station, thence nearly north-west along the same limits for about $8\frac{1}{2}$ chains passing cairn No. 191 to cairn No. 192 at a theodolite station, thence nearly north along the same limits for about $7\frac{1}{4}$ chains passing cairn No. 193 to cairn No. 194, thence nearly north north-west along the same limits for about $5\frac{3}{4}$ chains to cairn No. 195 at a theodolite station; thence nearly west north-west along the same limits for about $66\frac{1}{4}$ chains passing cairn Nos. 196 to 207 to cairn No. 208 at a theodolite station; thence nearly north-west along the same limits for about $34\frac{1}{2}$ chains passing cairn Nos. 209 to 214 to cairn No. 215 at a theodolite station at the tri-junction of Survey Nos. 811/1, 827/1, and Hills unsurveyed; thence nearly west along the limit between Survey Nos. 811/1 and 827/1 for about $8\frac{1}{4}$ chains to cairn No. 216 at a theodolite station; thence nearly west north-west along the same limits for about $10\frac{3}{4}$ chains passing cairn Nos. 217 and 218 to cairn No. 219 at a theodolite station; thence nearly north-west through Survey No. 811/1 for about 10 chains passing cairn No. 220 to cairn No. 221 at a theodolite station; thence nearly west north west through Survey No. 811/1 for about 11 chains passing cairn Nos. 222 and 223 to cairn No. 224 at a theodolite station on the limit between Survey Nos. 811/1 and 827/1; thence nearly north-west along the limits between Survey Nos. 811/1 and 827/1 for about $96\frac{3}{4}$ chains passing cairn Nos. 225 to 246 to cairn No. 247 at a theodolite station; thence nearly west along the same limits for about $1\frac{3}{4}$ chains to cairn No. 248 at a theodolite station at the trijunction of Survey Nos. 811/1, 827/1 and 804/1; thence nearly south west along the limits between Survey Nos. 804/1 and 827/1 for about $3\frac{1}{4}$ chain to cairn No. 248 A at an offset stone; thence nearly west south west through Survey No. 804/1 for about $1\frac{1}{2}$ chains to cairn No. 249 at a theodolite station.

thence nearly south-west through the same Survey No. for about $1\frac{1}{4}$ chains to cairn No. 249 A at a theodolite station; thence nearly west south west through the same Survey No. for about 3 chains passing cairn No. 249B to cairn No. 249C at an offset stone; thence nearly south through the same Survey No. for about $3\frac{1}{2}$ chains passing cairn No. 250 to cairn No. 250A at a theodolite station on the limit between Survey Nos. 804/1 and 827/1; thence nearly west south-west along the limit between Survey Nos. 804/1 and 827/1 for about $10\frac{1}{4}$ chains passing cairn No. 251 to cairn No. 252 at a theodolite station; thence nearly north-west through Survey No. 804/1 for about $50\frac{1}{4}$ chains passing cairn Nos. 252A, 253, 253A, 253B, 253C, 254, 254A, 254B, 254C and 255 to cairn No. 256 at a theodolite station; thence nearly north through the same Survey No. for about 11 chains passing cairn No. 257 to cairn No. 258 at an offset stone; thence nearly north-west through the same Survey No. for about 4 chains to cairn No. 259 at a theodolite station; thence nearly north north-west through the same Survey No. for about $15\frac{1}{2}$ chains passing cairn Nos. 260 to 262 to cairn No. 263 at an offset stone; thence nearly north east through the same Survey No. for about $6\frac{1}{2}$ chains passing cairn Nos. 264 and 265 to cairn No. 266 at a theodolite station on the limit between Survey Nos. 820/1 and 804/1; thence nearly north-west along the limit between Survey Nos. 820/1 and 804/1 for about $1\frac{3}{4}$ chains to cairn No. 267 at a theodolite station at the trijunction of Survey Nos. 819/1B, 820/1 and 804/1; thence nearly west but slightly north along the limit between Survey Nos. 804/1 and 819/1B for about $10\frac{1}{4}$ chains passing cairn No. 268 to cairn No. 269 at a theodolite station at the trijunction of Survey Nos. 819/1B, 804/1 and 812/1; thence in the same direction along the limit between Survey Nos. 819/1B and 812/1 for about $2\frac{1}{2}$ chains passing cairn No. 270 to cairn No. 271 at a theodolite station; thence nearly north-west along the same limit for about 26 chains passing cairn No. 272 to cairn No. 273 at a theodolite station at the trijunction of Survey Nos. 819/1B, 812/1 and 813/1; thence in the same direction but more to the west along the limits between Survey Nos. 819/1B and 813/1 for about $42\frac{1}{4}$ chains passing cairn Nos. 274 to 281 to cairn No. 282 at a theodolite station at the trijunction of Survey Nos. 819/1B, 813/1 and 816/1; thence in the same direction along the limit between Survey No. 816/1 and 819/1B for about 12 chains passing cairn Nos. 283 to 285 to cairn No. 286 at a theodolite station at the trijunction of Survey Nos. 817/1, 816/1, and 819/1B; thence nearly north north west along the limit between Survey Nos. 817/1 and 819/1B for about $13\frac{3}{4}$ chains passing cairn Nos. 287 to 292 to cairn No. 293 at a theodolite station at the trijunction of Survey Nos. 817/1, 818/1B and 819/1B; thence in the same direction along the limits between Survey Nos. 818/1B and 817/1 for about 3 chains to cairn No. 294 at a theodolite station at the trijunction of Survey Nos. 818/1B, 817/1, and 804/1; thence nearly west north west through Survey No. 804/1 for about 28 chains passing cairn Nos. 294A to 300 and then crossing Pamba river to cairn No. 134 of Shethakal reserve at a theodolite station at the trijunction of Survey Nos. 781/1, 780/2 and 804/1 on the right bank of the above river.

West :—Thence nearly north-east along the right bank of the above river following the limit between Survey Nos. 780/2 and 804/1 for about $136\frac{1}{2}$ chains up to the trijunction of Survey Nos. 780/2, 780/1 and 804/1; thence nearly east along the limit between Survey Nos. 780/1 and 804/1 following the same bank for about $4\frac{1}{2}$ chains to cairn No. 1 the starting point.

NOTE. The boundary of the Reserve from cairn No. 1 to cairn No. 183 follows a portion of the western boundary of Konni Reserve.

I. Private rights within the Reserve.

Lands. The following lands are admitted as enclosures within the Reserve and declared free from reservation and excluded by ring boundaries cut around them as described below:—

Village	Survey No.	Extent Acres	Remarks
Banni 2nd Bit.	818/1A	14.69	Registered.

BOUNDARY DESCRIPTION.

North.—Starting from cairn No. 1 situated at the north-west corner of the block at a theodolite stone at the trijunction of Survey Nos. 804/1, 818/1A and 818/1B of Ranni Pakuthy the boundary runs nearly east along the northern limit of Survey No. 818/1A for about 11 3/4 chains passing cairn No. 2 to cairn No. 3 at a theodolite stone at the trijunction of Survey Nos. 804/1, 819/1B and 818/1 A thence nearly south east along the same limit of the same Survey No. for about 2 3/4 chains to cairn No. 3A at an offset stone.

East.—Thence nearly south south west along the eastern limit of the same Survey No. for about 5 3/4 chains to Cairn No. 4 at a theodolite stone at the trijunction of Survey Nos. 818/1A, 819/1B and 818/B

South.—Thence nearly west but slightly north along the southern limit of Survey No. 818/1A for about 15 chains passing cairn Nos. 5 to 8 to cairn No. 9 at a theodolite stone

West.—Thence nearly north north east along the western limit of the above Survey No. for about 9 1/2 chains passing cairn Nos-10 to 12 to cairn No. 1 at the starting point

Access to this enclosure is allowed through the reserve by a path 10 links in width and about 34 3/4 chains in length as described below:—

DESCRIPTION OF THE PATH.

Starting from near cairn No. 298 of the southern boundary of the reserve the path goes nearly north north-east for about 8 1/4 chains thence nearly east south east for about 7 1/2 chains thence nearly north-east for about 3 chains thence nearly east for about 12 chains to a point near a theodolite station on the northern boundary of Survey No. 818/1B (from the starting point up to this the path follows the Perunad-Perunthenaravi forest trace thence leaving the forest trace the path goes nearly east north east for about 3 3/4 chains and enters the enclosure at cairn No. 1 of the enclosure.

II.

Village.	Survey No.	Extent.	Remarks.
Ranni 2nd bit	819/1 A	14.69 acres	

BOUNDARY DESCRIPTION.

North:—Starting from cairn No. 1 situated at a theodolite stone at the north-west corner of Survey No. 819/1A the boundary runs nearly south east along the limit between Survey Nos. 819/1A and 819/1B for about 9 3/4 chains passing cairn No. 2 to cairn No. 3 at a theodolite stone.

East:—Thence nearly south west along the same limit for about 15 chains passing cairn Nos. 4 to 7 to cairn No. 8 at a theodolite stone.

South.—Thence nearly north-west along the same limit for about 9 1/2 chain passing cairn No. 9 and 10 to cairn No. 11 at a theodolite stone.

West.—Thence nearly north-east along the same limit for about 14 3/4 chains passing cairn Nos. 12 to 15 to cairn No. 1 the starting point.

Access to this enclosure is allowed through the reserve by a path 10 links in width and about 74 3/4 chains in length as described below:—

Description of the path—Starting from near cairn No. 298 of the southern boundary of the reserve the path follows the Perunad Perunthenaravi forest trace for about 37 3/4 chains i. e. till it reaches the point from where the path to enclosure Survey No. 818/1A branches off thence nearly east north east for about 7 1/4 chains thence nearly north east for about 6 chains thence nearly east south east for about 3 1/2 chains thence nearly north east for about 2 chains thence nearly north north east for about 4 1/2 chains (from the starting point up to this the path follows the Perunad Perunthenaravi forest trace) thence leaving the forest trace, the path goes nearly east north east for about 16 1/2 chains thence nearly east south east for about 5 1/4 chains and enters the enclosure at cairn No. 12 of the enclosure.

III.

Village	Ranni Hill portion
Name of land	Manjathode swamp
Survey No.	955-1 to-11
Extent	10.76 acres

Remarks.

Excluded from the Reserve by notification vide G. O. No. 3240

BOUNDARY DESCRIPTION.

North—Starting from cairn No. 1 at the theodolite station at the northern most corner of Survey number 953/1 to 11 situated about 9 chains to the north of the 13th Revenue survey station from the trijunction stone of Survey numbers 811/1, 827/1 and hills, the line runs nearly south east along the northern limit of survey numbers 953/1 to 11 for about $8\frac{3}{4}$ chains passing cairn No. 2 to cairn No. 3 at a theodolite stone; thence east north-east for about $3\frac{1}{4}$ chains along the same limit to cairn No. 4 at a theodolite stone; thence nearly east south east along the same limits for about $1\frac{1}{4}$ chains to cairn number 5 at a theodolite station; thence nearly south along the same limits for about $3\frac{3}{4}$ chains to cairn No. 6 at a theodolite stone; thence nearly east north east along the same limits for about $5\frac{3}{4}$ chains passing cairn No. 7 to cairn No. 8 at a theodolite stone; thence nearly south but slightly east along the same limits for about $2\frac{3}{4}$ chains to cairn No. 9 at a theodolite stone; thence nearly south west along the same limits for about $3\frac{1}{2}$ chains passing cairn No. 10 to cairn No. 11 at a theodolite stone. thence nearly south east along the same limits for about $6\frac{1}{2}$ chains passing cairn Nos 12 and 13 to cairn No. 14 at a theodolite stone.

East;—Thence nearly south west along the eastern limit of the above Survey No. for about 3 chains to cairn No. 15 at a theodolite stone.

South—Thence more or less north west along the southern limit of the above Survey number for about $25\frac{3}{4}$ chains passing cairn Nos. 16 to 21 to cairn No. 22 at a theodolite stone.

West—Thence nearly north east along the western limit of the above survey number for about 2 chains to cairn No. 1 the starting point.

Access to this enclosure is allowed through the reserve by a path 10 links in width and about $17\frac{1}{2}$ chains in length as described below:—

DESCRIPTION OF THE PATH.

Starting from a point on the Perinad-Rajampara road about 8 chains from its crossing of the reserve boundary between cairn Nos. 214 and 215 (i.e., the 5th station of the survey of the road from the crossing of the reserve boundary between cairn Nos. 214 and 215) the path goes nearly north north west for about 4 chains; thence nearly north east for about $3\frac{1}{4}$ chains thence nearly north for about 5 chains; thence nearly north west for about $5\frac{1}{4}$ chains and enters the enclosure at cairn No. 15 of the enclosure.

II. PUBLIC RIGHTS.

The portion of the 6 feet trace from Perinad to Rajampara and thence to Sabarimala falling within the reserve is allowed to be used by public and cattle at all times. This trace has since been converted into a cartroad up to the site of the old Rajampara guard station and is about $150\frac{1}{2}$ chains length.

This road enters the reserve between cairn No. 224 and 245 of the outer boundary of the 429th link from the former cairn and goes round the Rajampara rest house by its southern western and northern sides and after a course of about 20 chains leaves the reserve between cairn Nos. 223 and 244 at the 10th link from the latter cairn. It re-enters the reserve between cairn Nos. 221 and 224 at the 10th link from the latter cairn and goes in a south-easterly direction more or less parallel to the reserve boundary for about $26\frac{1}{2}$ chains and leaves the reserve between cairn Nos. 215 and 216 at the 59th link from the latter cairn. It re-enters the reserve between cairn No. 214 and 215 at the 70th link from the latter cairn and goes nearly south east for about $3\frac{3}{4}$ chains; thence nearly north-east for about 8 chains; thence nearly east south east for about $3\frac{1}{2}$ chains; thence nearly north east for about $5\frac{1}{2}$ chains; thence nearly north for about $7\frac{1}{2}$ chains thence nearly east for about $2\frac{1}{2}$ chains; thence nearly north north east for about 7 chains thence nearly north west for about $5\frac{1}{4}$ chains; thence nearly north east for about 3 chains; thence nearly south east for about $7\frac{1}{2}$ chains; thence nearly east for about 8 chains; thence nearly north east for about 4 chains; thence nearly east for about $2\frac{1}{2}$ chains; thence nearly north for about $4\frac{1}{2}$ chains up to the place where the cart road ends and the 6 feet trace commences; thence nearly north east for about $12\frac{3}{4}$ chains thence nearly north for about $7\frac{1}{4}$ chains; thence nearly north east for about $6\frac{3}{4}$ chains and leaves the Reserve at cairn No. 116 of the outer boundary.

There are no rights either public or private allowed within the Reserve other than those described above.
