

Boundary Description of Thenmala Section, Thenmala Range

North:- This boundary starts from a point on the northern Range boundary between hill points 433 and 708 where Ishapalam thodu crosses the northern boundary, and runs along the range boundary towards east till it reaches Ambanadu Kalthurutty road

East: The boundary starts from Ambanadu Kalthurutty road on the Division Boundary, thence towards south along Ambanadu-Kalthurutty road till it reaches the Quilon-Shencottah road.

South : Startig from the Q-S road where Ambanadu Kalthurutty road joins it, it runs along the watershed line up to a point behind Divisional Forest Office Thenmala, thence along the boundary of the forest bit till it meets the right bank of Kallada Aar and thence along Kallada Aar where Ishapalam thodu meets the river.

West : The western boundary starts from Kallada Aar on the southern Range boundary where Ishapalam thodu meets the river, thence along the thodu till it meets the northern Range boundary.
