# THE TRAVANCORE GOVERNMENT GAZETTE.

[Vol. LVIII.]

PUBLISHED BY AUTHORITY.

[No. 42.]

TRIVANDRUM, TUESDAY, 19TH OCTOBER, 1920  
3RD THULAM, 1096.

## Forest Department.

### NOTICE.

#### SALE OF TREE-GROWTH IN THE PARALIAR COUPE FOR TEAK PLANTATION DURING 1097 WITHIN THE VERAPULI RESERVED FOREST.

Notice is hereby given that the right of felling and removal of tree-growth standing in an area of 100 acres and 50 cents within the boundaries specified below for the Teak Plantation to be opened in 1097 will be sold in public auction by the Divisional Forest Officer, Southern Division at Nagercoil Depot on 12th Thulam 1096/28th October 1920.

1. The auction will commence at 1 P. M.
2. Intending purchasers should deposit a sum of B. Rs. 100 (one hundred) only as earnest money before the auction commences without which nobody will be allowed to bid.
3. The purchaser should pay one-third of the amount bid for on the spot, failing which the earnest money deposited by him will be credited to Government and the right resold at his risk and loss, but he shall have no claim over the gain if any, which may accrue by such resale, to Government. He must pay the remaining two-thirds of the purchase money within seven days from date of communication of confirmation of the sale; failing which the one-third amount paid by him will be forfeited to Government.
4. The sale will be confirmed subject to the approval of the Conservator of Forests in the name of the highest bidder, provided his character and financial status be found satisfactory. He shall execute an agreement in stamp paper within 15 days from the date of communication of the confirmation of the sale by the Conservator of Forests, binding himself to deliver the land well cleared, burnt and dressed so that it may be fit for planting purposes before the close of Medam 1097.
5. The earnest money of the unsuccessful bidders will be returned to them; while that of the successful bidder will be credited towards the one-third of the purchase money to be paid by him.
6. The purchaser will be allowed to enter the coupe only after the execution of the agreement and obtaining a license from the Divisional Forest Officer. He may remove the timber either in logs, or materials or fuel or charcoal as he wishes covered by passes issued by the Divisional Forest Officer or the Officers deputed for the purpose by the Divisional Forest Officer.

## NOTIFICATION.

No. 4077/F. &amp; M. R.

It is hereby notified under Section 4 of the Forest Regulation, II of 1068, as amended by Regulations IV of 1071 and IX of 1085, that it is proposed to constitute the Forest Block described in the sub-joined schedule a Reserved Forest under the said Regulation.

2. The Dewan Peishkar, Trivandrum Division, is appointed the Forest Settlement Officer to enquire into and determine the existence, nature and extent of any rights claimed by or alleged to exist in favour of any person in or over any land comprised within the limits of the proposed reserve and deal with the same as provided in the Regulation.

3. The Divisional Forest Officer, Southern Division, is appointed the Forest Officer to attend on behalf of the Government, at the enquiry by the Forest Settlement Officer.

Huzur Cutcherry,  
Trivandrum, 8th October 1920.

T. RAGHAVIAH,  
Dewan.

## Schedule.

Name of the reserve.	Village.	Taluk.	Division.	Description.	Extent.	Remarks
Sekkonathumala.	Anad and Pallode.	Nedumangad.	Trivandrum.	<p><i>Situation:</i> This block is situated west of the Trivandrum-Shencottah road between its 18th and 20th mile stones.</p> <p><i>Boundaries.</i></p> <p><i>North.</i>—Starting from cairn No. 1 at a minor circuit stone about <math>\frac{1}{4}</math> of a chain west of the south west corner of survey number 3866 of Anad village the line goes eastward along the south side of that survey number and of survey numbers 3870, 3871, 3872, 4022, 4023 and 4024 passing cairn Nos. 2 to 12 to cairn No. 13 on the south east corner of the last mentioned survey number; thence more or less south along the west side of survey numbers 4059, 4060 and 4065 passing cairn Nos. 14 to 16 to cairn</p>	2 Sq. miles and 159.41 acres.	This notification is based on the resurvey plans of Nedumangad Taluk.

No. 17 at a minor circuit stone on the south west corner of the last mentioned survey number; thence south east along the south side of survey numbers 4065 and 4066 and west side of survey number 4070 passing cairn Nos. 18 and 19 to cairn No. 20 at a minor circuit stone on the southernmost point of the last mentioned survey number; thence northeast along the south side of the last mentioned survey number to cairn No. 21 at a village boundary stones on the boundary between Anad and Pallode villages on the south east corner of the said survey number; thence more or less east skirting survey numbers 844, 845, 846, 847, 898 and 902 of Pallode village passing cairn Nos. 22 to 28 to cairn No. 29 at a minor circuit stone on the south east corner of the last mentioned survey number; thence more or less southeast along the south side of survey numbers 903 and 810 passing cairn Nos. 30 to 32 to cairn No. 33 at a minor circuit stone on the southernmost corner of the latter survey number; thence northeast skirting survey numbers 810 and 808 to cairn No. 34 at a minor circuit stone on the southeast corner of the last mentioned survey number; thence more or less north along the east side of survey numbers 808, 807, 804, and 802 passing cairn Nos. 35 to 40 to cairn No. 41 at a minor circuit stone on the south-west corner of survey No. 800; thence more or less east skirting that survey number and survey numbers 799, 798, 797 and 944 passing cairn Nos. 42 to 54 to cairn No. 55 at a kaadam stone on the north west corner of 791 and 790 passing cairn Nos. 56 to 62 to cairn No. 63 at a minor circuit stone on the south west corner of the last mentioned survey number; thence more or less east along the south side of that survey number passing cairn number 64 to cairn No. 65 at a minor circuit stone on the south east corner of the same survey number (790); thence more or less north east along the east side of survey numbers 790, 789, 786 and 784 passing cairn Nos. 66 to 71 to cairn No. 72 at a minor circuit stone on the easternmost corner of the last mentioned survey number; thence south along the west side of survey number 780 to cairn No. 73 at a minor circuit stone on the southwest corner of that number; thence more or less east along the south side of that

number and Nos. 779 and 759 passing cairn Nos. 74 to 76 to cairn No. 77 at a minor circuit stone on the north-west corner of survey No. 758; thence south south-west along the west side of that survey number passing cairn No. 78 to cairn No. 79 at a minor circuit stone on the south-west corner of survey number (758); thence more or less east along the south side of that number and survey numbers 757 and 745 passing cairn Nos. 80 and 81 to cairn No. 82 at a minor circuit stone about a chain west of the south east corner of the last mentioned survey number (745).

*East.* Thence more or less south west skirting survey Nos. 744, 743, 741 and 740 passing cairn Nos. 83 to 85 to cairn No. 86 at a minor circuit stone on the south-west corner of the last mentioned survey number; thence west along the north side of survey numbers 739, 738 and 733 passing cairn Nos. 87 to 89 to cairn No. 90 at a minor circuit stone on the north west corner of the last mentioned survey number; thence south south west along the west side of the said number passing cairn Nos. 91 and 92 to cairn No. 93 at a minor circuit stone on the north west corner of survey number 734; thence south south east along the west side of that survey number to cairn No. 94 on the south west corner of the same number; thence more or less east along the south side of survey numbers 734 and 730 passing cairn Nos. 95 and 96 to cairn No. 97 at a minor circuit stone on the north west corner of survey number 729; thence more or less south along the west side of that survey number passing cairn No. 99 to cairn No. 99 on its southwest corner; thence more or less southwest along the north side of survey numbers 723 and 722 passing cairn Nos. 100 to 102 to cairn No. 103 at a minor circuit stone at a sharp bend on the north side of the last mentioned survey number; thence more or less north skirting the said survey number and survey number 720 passing cairn No. 104 to cairn No. 105 at a minor circuit stone on the north east corner of the last mentioned survey number; thence west along the north side of that number (720) and survey number 721 to cairn No. 106 at a minor circuit stone on the north-west corner of the latter survey number; thence south west along the west side of that survey number (721) to cairn No. 107 at a minor circuit stone on the western most corner of the same survey number; thence south east along the south side of that number passing cairn No. 108 to cairn No. 109 at a minor circuit stone on the south-east corner of the very same survey number; thence more or less south along the west side of survey number 720 passing cairn Nos. 110 and 111 to cairn No. 112 on the southern most corner of that survey number; thence more or less east along the south side of survey numbers 719 and 718 passing cairn Nos. 113 and 114 to cairn No. 115 on the southeast corner of the latter survey number; thence more or less south along the west side of survey numbers 717, 716 and 712 passing cairn Nos. 116 to 119 to cairn No. 120 at a minor circuit stone about  $5\frac{1}{2}$  chains south south east of the north west corner of the last mentioned survey number; thence more or less south along the West side of the said survey number (712) and survey numbers 711 passing cairn Nos. 121 and 122 to cairn No. 123 at a kandam stone on the south west corner of the latter survey number; thence west south west along the north side of survey numbers 514 and 515 passing cairn No. 124 to cairn No. 125 at a minor circuit stone on the north west corner of the latter survey number; thence west north west along the north side of survey numbers 516 and 519 to cairn No. 126 at a minor circuit stone on the north west corner of the latter survey number; thence more or less south along the west side of survey numbers 519, 520 and 521 passing cairn Nos. 127 to 130 to cairn No. 131 at a minor circuit stone on the south west corner of the last mentioned survey number; thence west north west along the north side of survey number 522 passing cairn Nos. 132 and 133 to cairn No. 134 at a minor circuit stone on the north west corner of the said survey number; thence south west along the north side of survey number 524 to cairn No. 135 at a minor circuit stone on the north-west corner of that survey number; thence more or less south east along the west side of that number (524) and survey number 525 passing cairn Nos. 136 and 137 to cairn No. 138 at a minor circuit stone on the southernmost corner of the latter survey number; thence north east along the south side of that number passing cairn Nos. 139 and 140 to cairn No. 140 to cairn No. 141 at a minor circuit stone about  $3\frac{1}{2}$  chains west of the south east corner of the same survey number; thence more or less east along the south side of that number (525) and survey number 526 passing cairn Nos. 142 to 145 to cairn No. 146 on the south east corner of the latter survey number; thence south east skirting survey numbers 527 and 546 passing cairn Nos. 147 to 150 to cairn No. 151 on the south west corner of the latter field; thence south along the west side of survey numbers 547, 549, 551 and 554 passing cairn Nos. 152 to 156 to cairn No. 157 at a minor circuit stone on the easternmost corner of survey number 555; thence more or less west along the north side of survey numbers 555 and 557 passing cairn Nos. 158 to 161 to cairn No. 162 at a minor circuit stone on the north west corner of the latter field; thence south south east along the west side of the said survey number (557) to cairn No. 163 at a minor circuit stone on the south west corner of the same number; thence more or less east along the south side of that survey number and survey number 558 passing cairn Nos. 164 and 165 to cairn No. 166 at a minor circuit stone on the south east corner of the latter field; thence north along the east side of that survey number passing cairn No. 167 to cairn No. 168 at a minor circuit stone about  $1\frac{1}{2}$  chains west of the south west corner of survey number 554; thence more or less east skirting survey numbers 558 and 554 passing cairn No. 169 to cairn No. 170 on the north west corner of survey number 559; thence south along the west side of that survey number passing cairn Nos. 171 and 172 to cairn No. 173 at a minor circuit stone on the north east corner of survey number 561; thence west along the north side of that number to cairn No. 174 at a minor circuit stone on the north west
